Inbound Logistics Names Reddaway a Top 100 Trucker

TUALATIN, Ore., Nov. 28, 2012 /PRNewswire/ -- (NASDAQ: YRCW) -- Reddaway has been named a Top 100 Trucker for 2012 by Inbound Logistics magazine.

Reddaway was selected from more than 250 trucking companies for the magazine's annual Top 100 Motor Carriers directory. Compiled by Inbound Logistics editors, the directory is a qualitative assessment of service providers offering the operational capabilities and experience to meet the transportation, supply chain, and logistics needs of the magazine's readers.

Each year, Inbound Logistics editors evaluate submitted information, conduct personal interviews and online research, and compare that data to their readers' trucking and logistics challenges to select the best transportation providers.

"Recognition as a Top 100 Trucker reflects the commitment of every Reddaway employee to make each shipment a priority. Reddaway employees work very hard to provide the best regional services available to customers who rely on us for extensive next-day coverage and timely, damage-free deliveries. Congratulations to the entire Reddaway team," said TJ O'Connor, Reddaway president.

About Inbound Logistics

Inbound Logistics is the leading trade magazine targeted toward business logistics and supply chain managers. The magazine's editorial mission is to help companies of all sizes better manage corporate resources by speeding and reducing inventory and supporting infrastructure, and better matching demand signals to supply lines. More information is available at www.inboundlogistics.com.

About Reddaway

Reddaway, founded in Oregon City, Ore., has served the Pacific Northwest since 1919. Through its comprehensive regional service center network, Reddaway has built a long-standing tradition of reliable, next-day and two-day delivery services for less-than-truckload shipments in the western United States and Canada, including Alaska and Hawaii. Reddaway, a 19-time Quest for Quality award winner, received the recognition in 2012 from Logistics Management magazine in the Expedited Motor Carriers category.
