Explanation of Responses:

- This amendment is filed to correct the transaction code used in the original filing. The correct transaction code is "P", as this was an open market purchase, not "A".
- Includes 14,541 performance stock units granted to the reporting person on April 16, 2003 pursuant to the executive performance plan implemented under the issuer's 2002 Stock Option and Share Award Plan and 26,000 shares of restricted stock which vest March 4, 2005. Each performance stock unit represents the right to receive one share of the issuer's common stock when the reporting person leaves the issuer's employment or, in certain circumstances, upon a change of control, provided that the performance unit has vested at that time.
