Explanation of Responses:

- The reporting person sold 3,323 shares of the common stock of the issuer on the open market on August 11, 2004, the same day on which he exercised options on 6,356 shares of the common stock of the issuer. The option exercises were correctly reported in the original Form 4 which this amendment amends, but the subsequent sale was mistakenly excluded from reporting in the Form.
- Reflects the total number of shares held by the reporting person after making the correction noted by this amendment and taking into account all activity reported since the date of the original Form 4 report that this amendment is amending.
