Explanation of Responses:

1. Due to the Company's administrative error in assisting the reporting person with the filing of his original Form 4 reporting the stock options described above, the Form 4 overstated the number of stock options that he actually received. The reporting person actually received 1,625 stock options on May 15, 2008 and not 2,125 stock options as originally reported.
2. The stock options vest in three equal annual installments beginning January 1, 2009.
