

Yellow Corporation Companies Moving At Full Speed

OVERLAND PARK, Kan., Sep 18, 2001 /PRNewswire/ -- Yellow Corporation (Nasdaq: YELL) announced today that transportation networks at all of its operating companies are moving at full speed in the wake of the September 11 tragic events in New York and Washington DC.

At Yellow Freight System, all shipments are moving through the company's continental U.S. network with no delays, except for 10 zip codes in the lower Manhattan area of New York where deliveries cannot be made. Inbound shipments from Canada and Mexico are experiencing delays of 10 hours or more in clearing customs at the borders. Outbound shipments to those countries are crossing the borders in four to six hours.

Atlanta-based Saia has experienced no delays or disruptions during the crisis anywhere in its 21-state delivery network.

Delanco, New Jersey-based Jevic Transportation is running full schedules throughout the lower 48 states, except for those areas of Manhattan still undergoing massive cleanup operations.

"Our core purpose is to make global commerce work and that mission has never been more critical than it is right now," said Bill Zollars, Chairman, President and CEO of Yellow Corporation. "All 32,000 Yellow employees are keeping their focus right where it has always been -- ensuring the safe and secure delivery of goods and materials."

Yellow Corporation is a holding company with wholly owned operating subsidiaries specializing in the national, regional and international transportation of industrial, commercial and retail goods. Its largest subsidiary, Yellow Freight System, is a national carrier offering the widest range of services for transportation and related movement of goods and materials. The Yellow Regional Carrier Group includes: Saia, providing overnight and second-day trucking service in 21 Southern and Western states; and Jevic Transportation, providing multi-regional less-than-truckload and truckload services. Transportation.com is a non-asset-based global logistics company delivering services through best-in-class Internet technology. Headquartered in Overland Park, Kansas, Yellow Corporation employs approximately 32,000 people.
