Explanation of Responses:

(1) On September 30, 2002, Yellow Corporation distributed to its shareholders of record all of the outstanding common stock of SCS Transportation, Inc. In lieu of receiving shares of SCST, the reporting person received additional restricted shares of Yellow. The number of shares of restricted stock of Yellow Corporation reported above compensate such reporting person for the SCST shares such person would have otherwise received in the distribution.

(2) Filing is amended to increase total amount of securities beneficially owned from prior filing, which inadvertently omitted certain previously reported acquisitions of common stock from the total.
