This Amendment No. 1 to Schedule 13D ("Amendment No. 1") is being filed by Avenue Investments, L.P., a Delaware limited partnership ("Avenue Investments"), Avenue Partners, LLC, a New York limited liability company ("Avenue Partners"), Avenue International Master, L.P., a Cayman Islands exempted limited partnership ("Avenue International"), Avenue International Master GenPar, Ltd., a Cayman Islands exempted company ("Avenue International GenPar"), Avenue Special Situations Fund VI (Master), L.P., a Delaware limited partnership ("Avenue Spec VI"), Avenue Capital Partners VI, LLC, a Delaware limited liability company ("Avenue Capital VI"), GL Partners VI, LLC, a Delaware limited liability company ("GL VI"), Managed Accounts Master Fund Services – MAP 10 ("MAP 10"), Avenue Capital Management II, L.P., a Delaware limited partnership ("Avenue Capital Management II"), Avenue Capital Management II GenPar, LLC, a Delaware limited liability company ("GenPar"), and Marc Lasry, a United States citizen ("Lasry," together with Avenue Investments, Avenue Partners, Avenue International, Avenue International GenPar, Avenue Spec VI, Avenue Capital VI, GL VI, MAP 10, Avenue Capital Management II and GenPar, the "Reporting Persons") to amend the Items specified below in the Reporting Persons' Schedule 13D with respect to YRC Worldwide, Inc., a Delaware corporation (the "Issuer"), filed with the Securities and Exchange Commission on December 19, 2013 (the "Original Schedule 13D"). Capitalized terms used in this Amendment No. 1 but not defined herein shall have the respective meanings given to such terms in the Original Schedule 13D.

Item 4. Purpose of Transaction.

Item 4 is hereby amended and supplemented to add the following at the end thereof:

On December 22, 2013, Avenue International, Avenue Investments, Avenue Spec VI, MAP 10 and Avenue Special Opportunities Fund I, L.P. (collectively, the "Avenue Purchasers") entered into a Stock Purchase Agreement (the "Stock Purchase Agreement") with the Issuer pursuant to which the Avenue Purchasers agreed, subject to the terms and conditions set forth in the Stock Purchase Agreement, to purchase shares of Common Stock and shares of a newly created series of preferred stock (the "Series A Preferred Stock") of the Issuer for an aggregate purchase price of \$97,000,000 (the "Transaction"). The purchase price under the Stock Purchase Agreement is \$15.00 per share of Common Stock and \$60.00 per share of Preferred Stock. Each share of Preferred Stock will initially be convertible (subject to the limitations described below and other adjustments as set forth in the Certificate of Designations of the Series A Preferred Stock) into four (4) shares of Common Stock.

The Issuer has reported to the Avenue Purchasers that, contemporaneously with the execution of the Stock Purchase Agreement, the Issuer entered into agreements (collectively, the "Other Agreements") with other investors on terms substantially similar to the Stock Purchase Agreement, that the proceeds from the Stock Purchase Agreement and such Other Agreements will be not less than \$250,000,000 and holders of at least \$45,000,000 of principal amount of 10% Series B Convertible Senior Secured Notes ("Series B Notes") (including the Avenue Purchasers) have agreed to exchange or convert their Series B Notes into shares of Common Stock.

Upon the consummation of the transactions contemplated by the Stock Purchase Agreement:

- The Avenue Purchasers will be issued a number of shares of Common Stock up to an amount that does not cause the Avenue Purchasers (together with their affiliated entities) to beneficially own in excess of 19.99% of the shares of Common Stock in accordance with applicable NASDAQ listing rules (the "Common Stock Cap");
- The Avenue Purchasers will be issued a number of shares of Series A Preferred Stock that (i) will be automatically convertible (up to the Common Stock Cap) into shares of Common Stock upon the receipt of stockholder approval of an amendment to the Company's certificate of incorporation to increase the number of authorized shares of Common Stock, (ii) will be automatically convertible in full upon receipt of stockholder approval to remove the Common Stock Cap, (iii) vote on an as-converted to Common Stock basis with the Common Stock (up to the Common Stock Cap), (iv) accrue dividends at an annual rate of 5% for the period beginning on the six month anniversary of the closing through the one year anniversary of the closing, 10% for the period beginning on the one year anniversary of the closing through the eighteen-month anniversary of the closing and 15% for the period beginning on the eighteen month anniversary of the closing and (v) will entitle the holders thereof to elect one director to the board of directors of the Company beginning on the first anniversary of the closing; and
- The Avenue Purchasers will convert all of their outstanding Series B Notes pursuant to and in accordance with the terms of such Series B Notes Indenture.

The obligations of the Avenue Purchasers to consummate the Transaction are subject to certain conditions, including: (i) the consummation of the transactions contemplated by the Other Agreements; (ii) the satisfaction of the conditions precedent to the effectiveness of the extension agreement between the Issuer and the Teamsters National Freight Industry Negotiating Committee of the International Brotherhood of Teamsters; and (iii) the amendment of that certain amended and restated contribution deferral agreement with respect to at least 90% of the Obligations (as defined therein) to December 31, 2019.

In addition, pursuant to the terms of the Purchase Agreement (i) the Issuer has agreed not to redeem or repurchase any 10% Series A Convertible Senior Secured Notes ("Series A Notes") held by the Avenue Purchasers or any of their affiliated entities for at least six (6) months following the closing of the transactions contemplated by the Stock Purchase Agreement, and (ii) the Avenue Purchasers have agreed to certain standstill restrictions for six (6) months following the closing that restrict the Avenue Purchasers (and their affiliated entities) from acquiring 30% or more of the Company's voting securities on a fully-diluted basis, making a tender or exchange offer for Common Stock, soliciting proxies, proposing a merger or other business combination, and similar activities.

The Avenue Purchasers have a right to terminate the Stock Purchase Agreement if the closing has not occurred by February 13, 2014 or if there shall have occurred an event of default under the Issuer's amended and restated senior credit agreement relating to the repayment, refinancing, replacement or restructuring of the Issuer's 6% convertible senior notes on or prior to February 1, 2014.

In connection with the transactions contemplated by the Stock Purchase Agreement, the Issuer and the Avenue Purchasers entered into a Registration Rights Agreement (the "Registration Rights Agreement"). The Registration Rights Agreement provides that the shares of Common Stock acquired by the Avenue Purchasers in the

Transaction, including the shares of Common Stock issuable upon conversion of the Series B Notes and the Series A Preferred Stock, and certain other securities held by the Avenue Purchasers following the closing of the Transaction, will be entitled to registration rights under the Registration Rights Agreement. The Registration Rights Agreement provides for the Issuer's obligation to file a shelf registration statement on Form S-3 (except if the Issuer is then ineligible to register for resale such securities on Form S-3, in which case such registration shall be on such other form available to register for resale such securities as a secondary offering) covering resales to the public of such shares of Common Stock within three (3) business days following the closing of the Transaction. The Registration Rights Agreement further provides for certain notice and other requirements in connection with the Issuer's registration obligations.

The following summary of the Purchase Agreement and the Registration Rights Agreement is not a complete description and is qualified in its entirety by reference to the full terms of the Purchase Agreement and the Registration Rights Agreement, respectively, each of which are filed as Exhibit 1 and Exhibit 2 hereto and are incorporated herein by reference.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

Item 6 is hereby amended and supplemented to add the following at the end thereof:

The information set forth in Item 4 above and Exhibits 1 and 2 attached hereto are incorporated into this Item 6 by reference.

Item 7. Material to be Filed as Exhibits.

Exhibit 1 Stock Purchase Agreement, dated as of December 22, 2013, by and among the Avenue Purchasers and the Issuer.

STOCK PURCHASE AGREEMENT

This **STOCK PURCHASE AGREEMENT** (this "Agreement"), dated as of December 22, 2013, is by and among YRC Worldwide Inc., a Delaware corporation with its principal executive offices currently located at 10990 Roe Avenue, Overland Park, Kansas 66211 (the "Company"), and each entity or account listed on Annex I hereto (each a "Buyer," and solely for ease of reference, collectively, the "Buyers"). The Company and the Buyers are sometimes referred to herein collectively as the "Parties" and each of them, individually, as a "Party."

WHEREAS:

A. The Company and each Buyer is executing and delivering this Agreement in reliance upon the exemption from securities registration afforded by Section 4(a)(2) of the Securities Act of 1933, as amended (the "Securities Act"), and Rule 506 of Regulation D ("Regulation D") as promulgated by the U.S. Securities and Exchange Commission (the "SEC") under the Securities Act.

B. The Company desires to sell to each Buyer and each Buyer desires to purchase from the Company such number of shares of Common Stock (as defined below) and Preferred Stock (as defined below) (the Common Stock and Preferred Stock are collectively referred to herein as the "Shares") set forth opposite such Buyer's name on Annex I attached hereto upon the terms and subject to the conditions set forth in this Agreement.

C. The Company has created a new series of preferred stock of the Company titled Class A Convertible Preferred Stock with such designation and number of shares, and relative rights, powers, preferences, and limitations thereof as are set forth in the certificate of designations (the "Certificate of Designations") in the form attached as Exhibit A hereto (the "Preferred Stock"), which Preferred Stock shall be convertible into the Company's common stock, having a par value of \$0.01 per share as of the date of this Agreement (the "Common Stock"), in accordance with the terms of this Agreement and Exhibit A hereto. All shares of Common Stock issuable pursuant to the conversion of the Preferred Stock are sometimes referred to herein collectively as the "Conversion Shares" and each, a "Conversion Share." The Company created the Preferred Stock in order to sell Preferred Stock to the Buyers in lieu of selling additional shares of Common Stock to the Buyers before receiving any required stockholder approval of an amendment to the Company's Certificate of Incorporation to increase the amount of authorized shares of Common Stock.

D. Contemporaneously with the execution and delivery of this Agreement and the Other Agreements, the Parties hereto and the Other Purchasers will execute and deliver a Registration Rights Agreement, substantially in the form attached hereto as Exhibit B (the "Registration Rights Agreement"), pursuant to which the Company will agree to provide certain registration rights with respect to the Registrable Securities (as defined in the Registration Rights Agreement) under the Securities Act and the rules and regulations promulgated thereunder, and applicable state securities laws.

E. Contemporaneously with the execution and delivery of this Agreement, the Company and other investors (the “Other Purchasers”) will execute and deliver stock purchase agreements (the “Other Agreements”) substantially similar to this Agreement. The aggregate amount of (i) the proceeds from the issuance of the Shares pursuant to this Agreement and the Other Agreements shall be not less than \$250,000,000 and (ii) the principal amount of all Series B Notes accepted for exchange in the Series B Notes Exchange or converted pursuant to this Agreement or the Other Agreements shall not be less than \$45,000,000.

F. Contemporaneously with the execution and delivery of this Agreement, the Company and certain Other Purchasers will execute and deliver exchange agreements (the “Exchange Agreements”) pursuant to which the Company will agree to exchange such Other Purchaser’s Series B Notes (as defined herein) for Common Stock.

G. This Agreement, the Registration Rights Agreement and each of the other agreements entered into by the Parties with the Parties in connection with the transactions contemplated by this Agreement, as each of them may be amended, modified or supplemented from time to time, are sometimes referred to herein collectively as the “Transaction Documents” and each, a “Transaction Document.”

NOW, THEREFORE, in consideration of the covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the Parties hereby agree as follows:

1. PURCHASE AND SALE OF SHARES.

(a) Purchase and Sale of the Shares. Subject to the satisfaction (or waiver, as provided herein) of the conditions set forth in Sections 5 and 6 below, on the Closing Date (as defined below), the Company shall issue and sell to each Buyer, and each Buyer severally, but not jointly, agrees to purchase from the Company, the number of Shares as is set forth opposite such Buyer's name in Column (3) of Annex I, as subject to adjustment pursuant to this Section 1(a). On the Closing Date, the Buyers and Other Purchasers shall each receive a pro rata amount of Common Stock and Preferred Stock based on their respective Purchase Price (as defined below for purposes of this Agreement or as defined in the Other Agreements, as applicable), except to the extent such pro rata distribution would violate the Common Stock Cap (as defined in the Certificate of Designations), in which case the number of shares of Common Stock allocated to such Buyer or Other Purchasers, as the case may be, shall be reduced as necessary to satisfy the Common Stock Cap and its allocated amount of Preferred Stock shall be increased proportionately. Each Buyer shall deliver to the Company a certificate, dated as of the Closing Date, setting forth the number of shares of Common Stock beneficially owned by such Buyer as of the Closing Date.

(b) Purchase Price. The aggregate purchase price for Shares to be purchased by each such Buyer at the Closing (the "Purchase Price") shall be the amount set forth opposite each Buyer's name in Column (4) of Annex I. Each Buyer shall pay \$15.00 per share of Common Stock and \$60.00 per share of Preferred Stock to be purchased by such Buyer at the Closing.

(c) Closing Date. The Closing shall take place at the offices of Kirkland & Ellis LLP ("Company Counsel"), 601 Lexington Avenue, New York, New York, at 10:00 a.m., New York City time, on the second (2nd) business day after each Buyer has confirmed that all of the conditions set forth in Section 6 (other than such conditions that are only capable of being satisfied on the Closing Date), and the Company has confirmed that all of the conditions set forth in Section 5 (other than such conditions that are only capable of being satisfied on the Closing Date), have been satisfied (or waived, as provided herein), or on such other date or at such other time and place as is mutually agreed to by the Company and each Buyer (the "Closing"). The time and date of the Closing is referred to herein as the "Closing Date." As used herein, "business day" means any day other than a Saturday, Sunday or other day on which commercial banks in New York, New York are authorized or required by law to remain closed.

(d) Form of Payment. On the Closing Date, upon satisfaction (or waiver, as provided herein) of the conditions set forth in Sections 5 and 6 below, each Buyer shall deliver to the Company the applicable Purchase Price by wire transfer pursuant to the written instructions provided by the Company to the Buyer at least three (3) business days prior to the Closing Date.

(e) Delivery of the Shares. Upon receipt of each Buyer's Purchase Price, the Company shall deliver or cause to be delivered to such Buyer (or its custodian or prime broker, as directed) at the offices of the then-acting registrar and transfer agent of the Common Stock or, if there is no then-acting registrar and transfer agent of the Common Stock, at the address as specified by such Buyer, the number of Shares deliverable to such Buyer upon the Closing Date, registered in the name of such Buyer (or its designee, as directed). To the extent the Shares of Common Stock are settled through the facilities of The Depository Trust Company (the "DTC"), the Company will, upon the written instruction of each Buyer, use its commercially reasonable efforts to deliver the shares of Common Stock deliverable to such Buyer, through the facilities of DTC, to the account of the participant of DTC designated by such Buyer.

2. REPRESENTATIONS AND WARRANTIES OF THE BUYERS.

Each Buyer, severally and not jointly, represents and warrants to the Company, solely with respect to and on behalf of itself, as of the date hereof and as of the Closing Date, knowing and intending the Company's reliance hereon, that:

(a) No Public Sale or Distribution. Such Buyer is acquiring the Shares for its own account and not with a view towards, or for resale in connection with, the public sale or distribution thereof, except pursuant to sales registered or exempted under the Securities Act, and such Buyer does not have a present arrangement or agreement to effect any distribution of the Shares to or through any person or entity; provided, however, that by making the representations herein, such Buyer does not agree, or make any representation or warranty, to hold any of the Shares for any minimum period of time or other specific term and reserves the right to dispose of the Shares at any time in accordance with or pursuant to a registration statement filed pursuant to or an exemption under the Securities Act.

(b) Accredited Investor Status. Such Buyer is an "accredited investor" as that term is defined in Rule 501(a) of Regulation D.

(c) Reliance on Exemptions. Such Buyer understands that the Shares are being offered and sold to it in reliance on specific exemptions from the registration requirements of United States federal and state securities laws and that the Company is relying in part upon the truth and accuracy of, and such Buyer's compliance with, the representations, warranties, agreements, acknowledgments and understandings of such Buyer set forth herein in order to determine the availability of such exemptions and the eligibility of such Buyer to acquire the Shares.

(d) Information. Such Buyer and its advisors, if any, have been furnished with all materials relating to the business, finances and operations of the Company and its Subsidiaries (as defined below) and materials relating to the offer and sale of the Shares which have been requested by such Buyer. Such Buyer and its advisors, if any, have been afforded the

opportunity to ask questions of the Company. Neither such inquiries nor any other due diligence investigations conducted by such Buyer or its advisors, if any, or its representatives, shall modify, amend or affect such Buyer's right to rely on the Company's representations and warranties contained herein. Such Buyer understands that its investment in the Shares involves a high degree of risk and that it is able to afford a complete loss of such investment. Such Buyer has independently evaluated the merits of its decision to purchase the Shares pursuant to the Transaction Documents, and such Buyer confirms that it has not relied on the advice of any other Buyer's business and/or legal counsel in making such decision. Such Buyer understands that nothing in this Agreement or any other materials presented by or on behalf of the Company or its Subsidiaries to the Buyer in connection with the purchase of the Shares constitutes legal, tax or investment advice. Such Buyer has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Shares.

(e) No Governmental Review. Such Buyer understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Shares or the fairness or suitability of the investment in the Shares, nor have such authorities passed upon or endorsed the merits of the offering of the Shares.

(f) Transfer or Resale. Such Buyer understands that except as provided in the Registration Rights Agreement: (i) the Shares have not been and are not being registered under the Securities Act or any state securities laws, and may not be offered for sale, sold, assigned or transferred unless (A) subsequently registered thereunder, (B) such Buyer shall have delivered to the Company an opinion of counsel (if requested by the Company), in a generally acceptable form, to the effect that such Shares to be sold, assigned or transferred may be sold, assigned or transferred pursuant to an exemption from such registration, or (C) such Buyer provides the Company with reasonable assurance that such Shares can be sold, assigned or transferred pursuant to Rule 144 or Rule 144A promulgated under the Securities Act (or a successor rule thereto) (collectively, "Rule 144"); (ii) any sale of the Shares made in reliance on Rule 144 may be made only in accordance with the terms of Rule 144 and, further, if Rule 144 is not applicable, any resale of the Shares under circumstances in which the seller (or the person through whom the sale is made) may be deemed to be an underwriter (as that term is defined in the Securities Act) may require compliance with some other exemption under the Securities Act or the rules and regulations of the SEC thereunder; and (iii) except with respect to the obligations of the Company under the Registration Rights Agreement, neither the Company nor any other person is under any obligation to register the Shares under the Securities Act or any state securities laws or to comply with the terms and conditions of any exemption thereunder.

(g) Legends. Such Buyer understands that until such time as the resale of the Shares have been registered under the Securities Act as contemplated by the Registration Rights Agreement, any stock certificates representing the Shares, except as set forth below, shall bear any legend as required by the "blue sky" laws of any state and a restrictive legend in substantially the following form (and a stop-transfer order may be placed against transfer of any such stock certificates):

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL (IF REQUESTED BY THE COMPANY) IN A GENERALLY ACCEPTABLE FORM, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.

The legend set forth above shall be removed and the Company shall issue to such holder by electronic delivery at the applicable balance account at DTC or, if the Company is unable to obtain DTC eligibility for such Shares, issue a certificate without such legend to the holder of the Shares upon which it is stamped, if: (i) such Shares are registered for resale under the Securities Act, (ii) in connection with a sale, assignment or other transfer, such holder provides the Company with an opinion of counsel reasonably satisfactory to the Company, in a generally acceptable form, to the effect that such sale, assignment or transfer of the Shares may be made without registration under the applicable requirements of the Securities Act and that such legend is no longer required, or (iii) such holder provides the Company with reasonable assurance that the Shares can be sold, assigned or transferred pursuant to Rule 144 or Rule 144A. The Company shall be responsible for the fees of its transfer agent and all DTC fees associated with such issuance.

(h) Validity; Enforcement. This Agreement and the Registration Rights Agreement have been duly and validly authorized, executed and delivered on behalf of such Buyer and shall constitute the legal, valid and binding obligations of such Buyer, enforceable against such Buyer in accordance with their respective terms, except as such enforceability may be limited by general principles of equity or to applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies.

(i) No Conflicts. The execution, delivery and performance by such Buyer of this Agreement and the Registration Rights Agreement and the consummation by such Buyer of the transactions contemplated hereby and thereby will not (i) result in a violation of the organizational documents of such Buyer or (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which such Buyer is a party, or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws) applicable to such Buyer, except in the case of clauses (ii) and (iii) above, for such conflicts, defaults, rights or violations which would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of such Buyer to perform its obligations hereunder.

(j) Residency. Such Buyer is a resident of the jurisdiction specified immediately below its address in Column (2) of the Schedule of Buyers.

(k) General Solicitation. Such Buyer is not purchasing the Shares as a result of any advertisement, article, notice or other communication regarding the Shares published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general advertisement.

(l) Series B Notes. Such Buyer is the legal and beneficial owner of the Company's 10% Series A Convertible Senior Secured Notes due 2015 (the "Series A Notes") and/or Series B Notes listed opposite its name on Annex III hereto under the heading "Series A Notes" and "Series B Notes". Such Series B Notes constitute all of the Company's Series B Notes beneficially owned by such Buyer to the knowledge of such Buyer's investment manager. For purposes of this Agreement, beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

3. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company represents and warrants to each of the Buyers, as of the date hereof and as of the Closing Date, knowing and intending the Buyers' reliance hereon, that:

(a) Organization and Qualification. Each of the Company and its "Subsidiaries" (which, for purposes of this Agreement, shall mean any entity in which the Company, directly or indirectly, owns capital stock or holds an equity or similar interest such that such entity is consolidated with the Company's results of operations for accounting purposes) are corporations or other legal entities duly organized and validly existing in good standing under the laws of the jurisdiction in which they are incorporated or formed, and have the requisite corporate or other organizational power and authorization to own their properties and to carry on their business as now being conducted, except to the extent that such Subsidiary's failure to be in good standing would not reasonably be expected to have a Material Adverse Effect. Each of the Company and its Subsidiaries is duly qualified as a foreign entity to do business and is in good standing in every jurisdiction in which its ownership of property or the nature of the business conducted by it makes such qualification necessary, except to the extent that the failure to be so qualified or be in good standing would not reasonably be expected to have a Material Adverse Effect. As used in this Agreement, "Material Adverse Effect" means any material adverse change or effect on the business, properties, assets, operations, results of operations, condition (financial or otherwise) or prospects of the Company and its Subsidiaries, taken as a whole, or on the transactions contemplated by this Agreement and the other Transaction Documents or by the agreements and instruments to be entered into in connection herewith or therewith, or on the authority or ability of the Company to perform its obligations under this Agreement, the Certificate of Designations and the other Transaction Documents.

(b) Authorization; Enforcement; Validity. The Company has the requisite corporate power and authority to enter into and perform its obligations under this Agreement, the Certificate of Designations and the other Transaction Documents to which it is a party and to issue the Shares in accordance with the terms hereof and thereof. The execution and delivery of this Agreement and the Transaction Documents by the Company and the consummation by the

Company of the transactions contemplated hereby and thereby, including, without limitation, the issuance of the Shares, have been duly authorized by the Company's board of directors ("Board"), and no further consent or authorization is required by the Company, its Board or its stockholders (other than, solely with respect to the conversion of the Preferred Stock into Common Stock, the stockholder approval contemplated by Section 4(g) for the issuance of the Conversion Shares). This Agreement and the other Transaction Documents have been duly executed and delivered by the Company, and constitute the legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies.

(c) Issuance of Shares. The issuance of the Shares has been duly authorized and, upon issuance in accordance with the terms of the Transaction Documents, the Shares will be validly issued, fully paid and nonassessable and free from all preemptive or similar rights, taxes, liens and charges with respect to the issue thereof, with the holders of the Common Stock being entitled to all rights accorded to a holder of Common Stock and the holders of the Preferred Stock being entitled to all the rights accorded to a holder of Preferred Stock. Assuming the accuracy of the representations and warranties of the Buyers set forth in Section 2(a) through (g) hereof, the offer and issuance by the Company of the Shares is exempt from registration under the Securities Act. Upon the effectiveness of the Amendment, the Conversion Shares issuable upon conversion of the Preferred Stock, when issued upon conversion of the Preferred Stock in accordance with the terms of the Preferred Stock, will be validly issued, fully paid and nonassessable and free from all preemptive or similar rights, taxes, liens and charges with respect to the issue thereof, with the holders of the Conversion Shares being entitled to all rights accorded to a holder of Common Stock.

(d) No Conflicts. Except with respect to the Financing Facilities Consents (as defined below) (which are required solely for the consummation or performance of the transactions contemplated by this Agreement (and not, for the avoidance of doubt, required for the execution and delivery of this Agreement)), the execution, delivery and performance of this Agreement and the other Transaction Documents by the Company and the consummation by the Company of the transactions contemplated hereby and thereby (including, without limitation, the issuance of the Shares and, following the effectiveness of the Amendment, the reservation for issuance and issuance of the Conversion Shares upon conversion of the Preferred Stock) does not and will not (i) result in a violation of the Company's Certificate of Incorporation (as defined below) or Bylaws (as defined below), (ii) result in a violation of any certificate of incorporation, certificate of formation, certificate of designation, bylaw or other constituent document of any of the Company's Subsidiaries, (iii) conflict with, or constitute a default (or an event which with notice or lapse of time, or both, would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Company or any of its Subsidiaries is a party, or (iv) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws and regulations and the rules and regulations of The NASDAQ Stock Market (the "Principal Market")) applicable to the Company or any of its Subsidiaries or by which any property or asset of the Company or any of its Subsidiaries is bound or affected, except in the case of clauses (iii) and (iv) above, as could not, individually or in the aggregate, reasonably be expected to have a

Material Adverse Effect. The “Financing Facilities Consents” shall mean any consents required under (i) the Amended and Restated Credit Agreement, dated as of July 22, 2011, among the Company and the other parties thereto (as amended, restated, supplemented or otherwise modified from time to time, the “Senior Credit Agreement”) and/or (ii) the Credit Agreement, dated as of July 22, 2011, among YRCW Receivables LLC, as borrower, the Company, as servicer, and the other parties thereto (as amended, restated, supplemented or otherwise modified from time to time, the “ABL Credit Agreement” and together with the Senior Credit Agreement, the “Financing Facilities”). As of the Closing Date, the performance of this Agreement and the other Transaction Documents by the Company and the consummation by the Company of the transactions contemplated hereby and thereby (including, without limitation, the issuance of the Shares and, following the effectiveness of the Amendment, the reservation for issuance and issuance of the Conversion Shares upon conversion of the Preferred Stock) will not conflict with, or constitute a default (or an event which with notice or lapse of time, or both, would become a default) under the Financing Facilities.

(e) Consents. The Company is not required to obtain any consent, authorization or order of, or make any filing or registration with, any court, governmental agency or any regulatory or self-regulatory agency or any other person in order for it to execute, deliver or perform any of its obligations under or contemplated by this Agreement, the Certificate of Designations or the other Transaction Documents, in each case in accordance with the terms hereof or thereof, other than (i) filings required by applicable state securities laws, (ii) the filing with the SEC of one or more Registration Statements and the issuance of effectiveness orders with respect thereto in accordance with the requirements of the Registration Rights Agreement, (iii) the filing of any requisite notices and/or application(s) to the Principal Market for the issuance and sale of the Common Stock and the listing of the Common Stock for trading or quotation, as the case may be, thereon in the time and manner required thereby, (iv) those that have been made or obtained prior to the date of this Agreement, (v) filings required under the Securities Act or Exchange Act and (vi) those Financing Facilities Consents that are required solely for the consummation or performance of the transactions contemplated by this Agreement (and not, for the avoidance of doubt, required for the execution and delivery of this Agreement).

All consents, authorizations, orders, filings and registrations which the Company is required to obtain pursuant to the preceding sentence have been obtained or effected or will be obtained or effected on or prior to, and will be in full force and effect on, the Closing Date, and the Company and its Subsidiaries are unaware of any facts or circumstances that might prevent the Company or any of its Subsidiaries from obtaining or effecting any of the consent, registration, application or filings pursuant to the preceding sentence. The issuance by the Company of the Shares shall not have the effect of delisting or suspending the Common Stock from the Principal Market. As of the Closing Date, the Companies shall have obtained all Financing Facilities Consents necessary or required for the performance of this Agreement and the other Transaction Documents by the Company and the consummation by the Company of the transactions contemplated hereby and thereby (including, without limitation, the issuance of the Shares and, following the effectiveness of the Amendment, the reservation for issuance and issuance of the Conversion Shares upon conversion of the Preferred Stock).

(f) No General Solicitation; Fees of Placement Agents and Financial Advisors.

Neither the Company, nor any of its Subsidiaries or controlled Affiliates, nor any person acting on its or their behalf, has engaged in any form of general solicitation or general

advertising (within the meaning of Regulation D) in connection with the offer or sale of the Shares. Except for MAEVA Group, LLC and Credit Suisse Securities (USA) LLC (together, the “Financial Advisors”), the Company has not engaged any placement agent or financial advisor in connection with the sale of the Shares. No person other than the Financial Advisors is or will be entitled to a broker’s, finder’s, investment banker’s, financial advisor’s or similar fee from the Company, or any of its Subsidiaries or controlled Affiliates in connection with this Agreement or any of the transactions contemplated hereby. The Company shall be responsible for the payment of any placement agent’s fees, financial advisory fees, or brokers’ commissions (other than for persons engaged by any Buyer) relating to or arising out of the transactions contemplated hereby.

The Company shall pay, and hold each Buyer harmless against, any liability, loss or expense (including, without limitation, attorney’s fees and out-of-pocket expenses) arising in connection with any such claim (other than for persons engaged by any Buyer). “Affiliate” shall mean, with respect to a person, any other person that, directly or indirectly, Controls, is Controlled by or is under common Control with such person. The term “Affiliated” has the meaning correlative to the foregoing. “Control,” “Controlled,” or “under common Control with” with respect to any person, means having the ability to direct the management and affairs of such person, whether through the ownership of voting securities or otherwise, and such ability shall be deemed to exist when a person holds a majority of the outstanding voting securities of such person. Notwithstanding any of the foregoing, and for the avoidance of doubt, MAEVA Group, LLC is not acting as a placement agent, investment banker or any other type of broker-dealer and its compensation being paid by the Company is not and does not constitute a placement agent fee, brokerage fee or any other form of transaction-based compensation.

(g) No Integrated Offering. None of the Company, its Subsidiaries, any of their controlled Affiliates, and any person acting on their behalf has, directly or indirectly, made, or will contemporaneously make, any offers or sales of any security or solicited or will contemporaneously solicit any offers to buy any security, under circumstances that would require registration of any of the Shares under the Securities Act or cause this offering of the Shares to be integrated with prior or contemporaneous offerings by the Company for purposes of the Securities Act or any applicable stockholder approval provisions, including, without limitation, under the rules and regulations of any exchange or automated quotation system on which any of the securities of the Company are listed or designated. None of the Company, its Subsidiaries, their controlled Affiliates and any person acting on their behalf will take any action or steps referred to in the preceding sentence that would (i) require registration of any of the Shares under the Securities Act, (ii) cause the offering of the Shares to be integrated with other offerings in violation of the Securities Act or (iii) cause the sale and issuance of the Shares and the issuance of the Conversion Shares upon conversion of the Preferred Stock to be subject to any stockholder approval requirement (other than the stockholder approval contemplated by Section 4(g) for the issuance of the Conversion Shares), including, without limitation, under the rules and regulations of the Principal Market.

(h) Application of Takeover Protections; Rights Agreement. The Company and its Board have taken all necessary action, if any, in order to render inapplicable any control share acquisition, business combination, “poison pill” (including any distribution under a rights agreement) or other similar anti-takeover provision under the Certificate of Incorporation or the laws of the State of Delaware which is or could become applicable to any Buyer as a result of the transactions contemplated by this Agreement and the other Transaction Documents, including,

without limitation, the Company's issuance of the Shares and the Conversion Shares upon conversion of the Preferred Stock and any Buyer's ownership of the Shares. The Company has not adopted a stockholder rights plan or similar arrangement relating to accumulations of beneficial ownership of Common Stock or a change in control of the Company.

(i) SEC Documents; Financial Statements. During the two (2) years prior to the date hereof, the Company has timely filed all reports, schedules, forms, statements and other documents required to be filed by it with the SEC pursuant to the reporting requirements of the Exchange Act (all of the foregoing filed prior to the date hereof or prior to the date of the Closing, and all exhibits included therein and financial statements and schedules thereto and documents incorporated by reference therein, as amended and supplemented to the date hereof, are hereinafter collectively referred to as the "SEC Documents"). The Company has delivered to the Buyers or their respective representatives true, correct and complete copies of any SEC Documents that are not available on or through the SEC's Electronic Data Gathering, Analysis, and Retrieval ("EDGAR") system. As of their respective dates, the SEC Documents complied in all material respects with the requirements of the Exchange Act and the rules and regulations of the SEC promulgated thereunder applicable to the SEC Documents, and none of the SEC Documents, at the time they were filed with the SEC, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. As of their respective dates, the financial statements of the Company included in the SEC Documents complied as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto. Such financial statements have been prepared in accordance with generally accepted accounting principles in the United States of America, consistently applied, during the periods involved (except (i) as may be otherwise indicated in such financial statements or the notes thereto, or (ii) in the case of unaudited interim statements, to the extent they may exclude footnotes or may be condensed or summary statements), and fairly present in all material respects the financial position of the Company as of the dates thereof and the results of its operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments).

(j) Absence of Certain Changes. Except as disclosed or described in the SEC Documents filed prior to the date of this Agreement (the "Filed SEC Documents"), since December 31, 2012, there has been no material adverse change in the business, assets, properties, operations, condition (financial or otherwise), results of operations or prospects of the Company and its Subsidiaries, taken as a whole. The Company has not taken any steps with any governmental agency or authority or any other regulatory or self-regulatory agency or authority to seek protection pursuant to any bankruptcy law nor does the Company have any knowledge or reasonable basis to believe that its creditors intend to initiate involuntary bankruptcy proceedings or any actual knowledge of any fact which would reasonably lead a creditor to do so. Neither the Company nor any of its "significant subsidiaries" as defined in Rule 1-02(w) of Regulation S-X under the Securities Act (the "Significant Subsidiaries") (individually and on a consolidated basis) (x) is Insolvent as of the date hereof or (y) after giving effect to the transactions contemplated hereby to occur at the Closing, will be Insolvent (as hereinafter defined). For purposes of this Section 3(j), "Insolvent" means, with respect to any person (i) such person is unable to pay its debts and liabilities, subordinated, contingent or otherwise, as such debts and

liabilities become due (whether at maturity or otherwise) in the ordinary course, (ii) such person intends to incur or believes that it will incur debts that would be beyond its ability to pay such debts as they become due (whether at maturity or otherwise) in the ordinary course, (iii) such person has unreasonably small capital with which to conduct the business in which it is engaged, as such business is now conducted, (iv) the sum of such person's debts (including contingent liabilities) exceeds the present fair saleable value of such person's presents assets, on a pro-forma basis assuming the consummation of the transactions contemplated hereby, or (v) such person is "insolvent" within the meaning given that term and similar terms under title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. and applicable laws relating to fraudulent transfers and conveyances. For purposes of the foregoing, the amount of any contingent liability at any time shall be computed as the amount that, in light of all facts and circumstances existing at such time, represents the amount that could reasonably be expected to become an actual or matured liability and the Company shall be entitled to make a reasonable assumption that its existing pension plan deferrals and employee wage concessions (each as disclosed in the Filed SEC Documents) will continue for the foreseeable future.

(k) No Undisclosed Events, Liabilities, Developments or Circumstances. Except for the transactions contemplated hereby and the exchange of Common Stock for a portion of the Company's 10% Series B Convertible Senior Secured Notes due 2015 (the "Series B Notes") concurrently herewith (the "Series B Notes Exchange"), no event, liability, development or circumstance has occurred or exists, or is contemplated to occur, with respect to the Company or its Subsidiaries or their respective business, properties, prospects, operations or financial condition, that would be required to be disclosed by the Company under applicable securities laws on a registration statement on Form S-1 filed with the SEC relating to an issuance and sale by the Company of its Common Stock and which has not been publicly announced.

(l) Conduct of Business; Regulatory Permits. Neither the Company nor any of its Significant Subsidiaries is in violation of its certificate of incorporation, bylaws or other constituent documents. Neither the Company nor any of its Subsidiaries is in violation of any judgment, decree or order or any statute, ordinance, rule or regulation applicable to the Company or its Subsidiaries, and neither the Company nor any of its Subsidiaries will conduct its business in violation of any of the foregoing, except for violations which would not, individually or in the aggregate, be reasonably likely to have a Material Adverse Effect. Without limiting the generality of the foregoing, except as disclosed in the Filed SEC Documents, the Company is not in violation of any of the rules, regulations or requirements of the Principal Market and has no knowledge of any facts that could reasonably be expected to lead to delisting or suspension of the Common Stock in the foreseeable future. During the two (2) years prior to the date hereof, (i) the Common Stock has been designated for quotation or listed on the Principal Market, (ii) trading in the Common Stock has not been suspended by the SEC or the Principal Market (other than as requested by the Company in connection with the dissemination of material information), and (iii) the Company has received no communication, written or oral, from the SEC or the Principal Market regarding the suspension or delisting of the Common Stock from the Principal Market. The Company and its Subsidiaries possess all certificates, authorizations and permits issued by the appropriate federal, state or foreign regulatory authorities necessary to conduct their respective businesses, except where the failure to possess such certificates, authorizations or permits would not be reasonably likely to have, individually or in the aggregate, a Material Adverse Effect, and neither the Company nor any such Subsidiary has received any notice of

proceedings relating to the revocation or modification of any such certificate, authorization or permit that could otherwise reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(m) Foreign Corrupt Practices. During the past five (5) years, neither the Company nor any of its Subsidiaries, nor any director, officer, agent, employee or other person acting on behalf of the Company or any of its Subsidiaries, has, in the course of its, his or her actions for or on behalf of the Company or any of its Subsidiaries (i) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expenses relating to political activity; (ii) made any direct or indirect unlawful payment to any foreign or domestic government official or employee from corporate funds; (iii) violated or is in violation of any provision of the U.S. Foreign Corrupt Practices Act of 1977, as amended; or (iv) made any unlawful bribe, rebate, payoff, influence payment, kickback or other unlawful payment to any foreign or domestic government official or employee.

(n) Sarbanes-Oxley Act. The Company is in material compliance with any and all applicable requirements of the Sarbanes-Oxley Act of 2002 that are effective as of the date hereof, and any and all applicable rules and regulations promulgated by the SEC thereunder that are effective as of the date hereof.

(o) Transactions With Affiliates. Except as set forth in the Filed SEC Documents, none of the officers, directors or employees of the Company is presently a party to any transaction with the Company or any of its Subsidiaries (other than (i) for ordinary course services as employees, officers or directors and (ii) transactions in the ordinary course of business at prices and on terms and conditions not less favorable to the Company than could be obtained on an arm's-length basis from unrelated third parties), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any such officer, director or employee or, to the knowledge of the Company, any corporation, partnership, trust or other entity in which any such officer, director, or employee has a substantial interest or is an officer, director, trustee or partner.

(p) Equity Capitalization. As of December 19, 2013, the authorized capital stock of the Company consists of (i) 33,333,333 shares of Common Stock, of which, as of the date hereof, 10,922,968 shares are issued and outstanding, 965,030 shares are reserved for issuance pursuant to the Company's employee equity incentive compensation plans and 9,891,290 shares are reserved for issuance pursuant to securities exercisable or exchangeable for, or convertible into, shares of Common Stock, and (ii) 5,000,000 shares of preferred stock, par value \$1.00 per share, of which, as of the date hereof, one share is issued and outstanding and designated as Series A Voting Preferred Stock (the "Series A Preferred Stock"). All of such outstanding shares have been, or upon issuance will be, validly issued and are fully paid and nonassessable. Except as disclosed or described in the Filed SEC Documents (other than with respect to subclause (G) below): (A) no shares of the Company's capital stock are subject to preemptive rights or any other similar rights or any liens or encumbrances suffered or permitted by the Company; (B) there are no outstanding options, warrants, scrip, rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities or rights convertible into, or exercisable or exchangeable for, any shares of capital stock of the Company or any of its Subsidiaries, or

contracts, commitments, understandings or arrangements by which the Company or any of its Subsidiaries is or may become bound to issue additional shares of capital stock of the Company or any of its Subsidiaries (except for agreements entered into on or after the date hereof (i) to sell Common Stock and Preferred Stock and/or (ii) to issue Common Stock in exchange for Series B Notes) or options, warrants, scrip, rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities or rights convertible into, or exercisable or exchangeable for, any shares of capital stock of the Company or any of its Subsidiaries; (C) there are no outstanding debt securities, notes, credit agreements, credit facilities or other agreements, documents or instruments evidencing Indebtedness in an amount in excess of \$5,000,000 (excluding intercompany Indebtedness) of the Company or any of its Subsidiaries or by which the Company or any of its Subsidiaries is or may become bound; (D) there are no financing statements securing obligations in any material amounts, either singly or in the aggregate, naming the Company or any of its Subsidiaries (other than liens securing or permitted by the Financing Facilities); (E) there are no agreements or arrangements under which the Company or any of its Subsidiaries is obligated to register the sale of any of their securities under the Securities Act (except pursuant to the Registration Rights Agreement); (F) there are no outstanding securities or instruments of the Company or any of its Subsidiaries which contain any redemption or similar provisions, and there are no contracts, commitments, understandings or arrangements by which the Company or any of its Subsidiaries is or may become bound to redeem or repurchase a security of the Company or any of its Subsidiaries; (G) there are no securities or instruments containing anti-dilution or similar provisions that will be triggered by the issuance of the Shares, the Conversion Shares or the other transactions contemplated by the Transaction Documents; (H) the Company does not have any stock appreciation rights or “phantom stock” plans or agreements or any similar plan or agreement; and (I) the Company and its Subsidiaries have no liabilities or obligations required to be disclosed or described in the SEC Documents but not so disclosed or described in the SEC Documents, other than those incurred in the ordinary course of the Company’s or any Subsidiary’s respective businesses or which, individually or in the aggregate, do not or would not be reasonably likely to have a Material Adverse Effect. The Company confirms that it has filed with the SEC true, correct and complete copies of the Company’s Certificate of Incorporation, as amended and as in effect on the date hereof (the “Certificate of Incorporation”), and the Company’s Bylaws, as amended and as in effect on the date hereof (the “Bylaws”), and the terms of all securities convertible into, or exercisable or exchangeable for, shares of Common Stock and the material rights of the holders thereof in respect thereto.

(q) Indebtedness and Other Contracts. Except as disclosed or described in the Filed SEC Documents, neither the Company nor any of its Subsidiaries (i) has any outstanding Indebtedness in an amount in excess of \$5,000,000 (excluding intercompany Indebtedness), (ii) is a party to any contract, agreement or instrument, the violation of which, or default under which, by the other party(ies) to such contract, agreement or instrument would reasonably be expected to result in a Material Adverse Effect, (iii) is in violation of any term of or in default under any contract, agreement or instrument relating to any Indebtedness, except where such violations and defaults would not reasonably be expected to result, individually or in the aggregate, in a Material Adverse Effect, or (iv) is a party to any contract, agreement or instrument relating to any Indebtedness, the performance of which has or would reasonably be expected to have or is expected to have a Material Adverse Effect. Without limiting the foregoing, the Company represents and warrants that (A) it is in compliance in all material

respects with all provisions of the Financing Facilities and any other material financing documents, (B) it is not in violation of or, in default under, the Financing Facilities or any other material financing document and, (C) based upon all information currently available to it, the Company has no reason to believe that it will be in violation of, or be in default under, the Financing Facilities or any other material financing document as of the Closing Date (assuming effectiveness of the Financing Facilities Consent), whether as a result of the transactions contemplated by the Transaction Documents or otherwise. For purposes of this Agreement, (x) "Indebtedness" of any person means, without duplication (A) all indebtedness for borrowed money, (B) all obligations issued, undertaken or assumed as the deferred purchase price of property or services, including, without limitation, "capital leases" in accordance with GAAP (other than trade payables entered into in the ordinary course of business consistent with past practice), (C) all reimbursement or payment obligations with respect to letters of credit, surety bonds and other similar instruments, (D) all obligations evidenced by notes, bonds, debentures or similar instruments, including obligations so evidenced incurred in connection with the acquisition of property, assets or businesses, (E) all indebtedness created or arising under any conditional sale or other title retention agreement, or incurred as financing, in either case with respect to any property or assets acquired with the proceeds of such indebtedness (even though the rights and remedies of the seller or bank under such agreement in the event of default are limited to repossession or sale of such property), (F) all monetary obligations under any leasing or similar arrangement which, in connection with GAAP is classified as a capital lease, (G) all indebtedness referred to in clauses (A) through (F) above secured by (or for which the holder of such Indebtedness has an existing right, contingent or otherwise, to be secured by) any mortgage, lien, pledge, charge, security interest or other encumbrance upon or in any property or assets (including accounts and contract rights) owned by any person, even though the person which owns such assets or property has not assumed or become liable for the payment of such indebtedness, and (H) all Contingent Obligations in respect of indebtedness or obligations of others of the kinds referred to in clauses (A) through (G) above; and (y) "Contingent Obligation" means, as to any person, any direct or indirect liability, contingent or otherwise, of that person with respect to any Indebtedness, lease, dividend or other obligation of another person if the primary purpose or intent of the person incurring such liability, or the primary effect thereof, is to provide assurance to the obligee of such liability that such liability will be paid or discharged, or that any agreements relating thereto will be complied with, or that the holders of such liability will be protected (in whole or in part) against loss with respect thereto. The issuance of the Shares pursuant to this Agreement and the Other Agreements, the issuance of shares of Common Stock pursuant to the Series B Notes Exchange, and the consummation of the transactions contemplated by this Agreement and the other Transaction Documents will not result in any anti-dilution or similar adjustment pursuant to the terms of the Series A Notes, the Series B Notes, the 6% Notes or any other security convertible or exercisable into shares of Common Stock.

(r) Absence of Litigation. Except as set forth in the Filed SEC Documents, there is no action, suit, proceeding, inquiry or investigation before or by the Principal Market, any court, public board, government agency, self-regulatory organization or body pending or, to the knowledge of the Company, threatened against or affecting the Company, the Common Stock, the Preferred Stock or any of its Subsidiaries or any of the Company's or the Company's Subsidiaries' officers or directors, whether of a civil or criminal nature or otherwise, that could reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

(s) Insurance. The Company and each of its Subsidiaries are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as management of the Company believes to be prudent and customary in the businesses in which the Company and its Subsidiaries are engaged in the same or similar locations, provided that each of the Company and its Subsidiaries may self-insure to the same extent as other companies engaged in similar businesses and owning similar properties in the same general areas in which the Company or each such Subsidiary, as applicable, operates. Except as disclosed or described in the Filed SEC Documents, neither the Company nor any Subsidiary has been refused any insurance coverage which it sought or for which it applied during the last two (2) years. Neither the Company nor any Subsidiary has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not reasonably be expected to have a Material Adverse Effect; provided, however, that each of the Company and its Subsidiaries may self-insure to the same extent as other companies engaged in similar businesses and owning similar properties in the same general areas in which the Company or each such Subsidiary, as applicable, operates.

(t) Employee Relations. The Company has filed with the SEC all of the collective bargaining agreements to which the Company or any of its Subsidiaries is a party that are material to the Company and its Subsidiaries, taken as a whole. The Filed SEC Documents summarize in all material respects the proportion of the employees of the Company and its Subsidiaries that are represented by a union. The Company and its Subsidiaries believe that their relations with their employees are good. No executive officer of the Company or any of its Subsidiaries (as defined in Rule 501(f) of the Securities Act) has notified the Company or any such Subsidiary that such officer intends to leave the Company or any such Subsidiary or otherwise terminate such officer's employment with the Company or any such Subsidiary. No executive officer of the Company, to the knowledge of the Company or any of its Subsidiaries, is, or is now expected to be, in violation of any material term of any employment contract, confidentiality, disclosure or proprietary information agreement, non-competition agreement, or any other contract or agreement or any restrictive covenant, and the continued employment of each such executive officer does not subject the Company or any of its Subsidiaries to any liability except for any of the foregoing matters that could reasonably be expected to, individually or in the aggregate, have a Material Adverse Effect. The Company and its Subsidiaries are in compliance with all federal, state, local and foreign laws and regulations respecting labor, employment and employment practices and benefits, terms and conditions of employment and wages and hours, except where failure to be in compliance would not, either individually or in the aggregate, be reasonably likely to result in a Material Adverse Effect.

(u) Title. The Company and its Subsidiaries have good and marketable title in fee simple to all real property and good and marketable title to all personal property, in each case that are owned by them, free and clear of all liens, encumbrances and defects, except such as do not materially affect the value of such property and do not interfere in any material respect with the use made and proposed to be made of such property by the Company and any of its Subsidiaries or are otherwise set forth or described in the Filed SEC Documents. Any real property and facilities that are material to the Company and its Subsidiaries, taken as a whole, held under lease by the Company and any of its Subsidiaries are held by them under valid, subsisting and enforceable leases with such exceptions as do not materially interfere with the use

made and proposed to be made of such property and buildings by the Company and its Subsidiaries.

(v) Intellectual Property Rights. The Company and its Subsidiaries own or possess adequate rights or licenses to use all trademarks, trade names, service marks, service mark registrations, service names, patents, patent rights, copyrights, inventions, licenses, approvals, governmental authorizations, trade secrets and other intellectual property rights (collectively, "Intellectual Property Rights") necessary to conduct their respective businesses as currently conducted, except where the failure thereof would not, individually or in the aggregate, be reasonably likely to have a Material Adverse Effect. The Company does not have any knowledge of any infringement by the Company or its Subsidiaries of Intellectual Property Rights of others which would reasonably be expected to result in a Material Adverse Effect.

There is no claim, action or proceeding being made or brought, or to the knowledge of the Company, being threatened, against the Company or any of its Subsidiaries regarding its Intellectual Property Rights which has a reasonable likelihood of adverse determination and such determination would reasonably be expected to result in a Material Adverse Effect. Neither the Company nor any of its Subsidiaries is aware of any facts or circumstances which could reasonably be expected to give rise to any of the foregoing infringements or claims, actions or proceedings. The Company and its Subsidiaries have taken reasonable security measures to protect the secrecy, confidentiality and value of all of their Intellectual Property Rights, except as determined in their commercially reasonable business judgment.

(w) Environmental Laws. Except as disclosed or described in the Filed SEC Documents, the Company and its Subsidiaries (i) are in compliance with any and all Environmental Laws (as hereinafter defined), (ii) have received all permits, licenses or other approvals required of them under applicable Environmental Laws to conduct their respective businesses and (iii) are in compliance with all terms and conditions of any such permit, license or approval, except where, in each of the foregoing clauses (i), (ii) and (iii), the failure to so comply would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. The term "Environmental Laws" means all federal, state, local or foreign laws relating to pollution or health and safety matters or the environment (including, without limitation, ambient air, surface water, groundwater, land surface or subsurface strata), including, without limitation, laws relating to emissions, discharges, releases or threatened releases of chemicals, pollutants, contaminants, or toxic or hazardous substances or wastes regulated pursuant to Environmental Laws (collectively, "Hazardous Materials") into the environment, or otherwise relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials, as well as all authorizations, codes, decrees, demands or demand letters, injunctions, judgments, licenses, notices or notice letters, orders, permits, plans or regulations issued, entered, promulgated or approved thereunder.

(x) Tax Status. The Company and each of its Subsidiaries (i) has made or filed all federal, foreign and state income and all other tax returns, reports and declarations required by any jurisdiction to which it is subject which are now due and for which filing extensions have not been obtained, (ii) has paid all taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and (iii) has set aside on its books provision reasonably adequate for the payment of all taxes for periods subsequent to the periods to which

such returns, reports or declarations apply. Except as disclosed in the Filed SEC Documents, there are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company know of no basis for any such claim. The Company shall use reasonable efforts to promptly assist Buyer in determining before Closing whether the Company is a United States Real Estate Property Holding Company under section 897(c) of the Internal Revenue Code.

(y) Internal Accounting and Disclosure Controls. The Company and each of its Subsidiaries maintains a system of internal control over financial reporting (as such term is defined in Rule 13a-15 under the Exchange Act). The Company maintains disclosure controls and procedures (as such term is defined in Rule 13a-15 under the Exchange Act) that are effective in ensuring that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the rules and forms of the SEC, including, without limitation, controls and procedures designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is accumulated and communicated to the Company's management, including its principal executive officer or officers and its principal financial officer or officers, as appropriate, to allow timely decisions regarding required disclosure. During the two (2) years prior to the date hereof, neither the Company nor any of its Subsidiaries has received any notice or correspondence from any accountant relating to any potential material weakness in any part of the system of internal accounting controls of the Company or any of its Subsidiaries.

(z) Off Balance Sheet Arrangements. There is no transaction, arrangement, or other relationship between the Company and an unconsolidated or other off balance sheet entity outside the ordinary course of business that is required to be disclosed by the Company in its Exchange Act filings and has not been so disclosed.

(aa) Form S-3 Eligibility. The Company is eligible to register the Shares and the Conversion Shares for resale by the Buyers using a registration statement on Form S-3 promulgated under the Securities Act. The Company will, prior to filing with the SEC, provide the Buyers with a draft of the registration statement on Form S-3, which will be ready for filing with the SEC and comply in all material respects with the SEC's rules and regulations.

(bb) Manipulation of Price. Neither the Company nor any of its Subsidiaries has, and, to the Company's knowledge, no one acting on its behalf has, (i) taken, directly or indirectly, any action designed to cause or to result in the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of any of the Shares, (ii) sold, bid for, purchased, or paid any compensation for soliciting purchases of, any of the Shares, or (iii) except as set forth in the SEC Documents, sold, paid or agreed to pay to any person any compensation for soliciting another to purchase any other securities of the Company.

(cc) Transfer Taxes. On the Closing Date, all stock transfer or other taxes (other than income or similar taxes) which are required to be paid in connection with the sale and transfer of the Shares to be sold to each Buyer hereunder will be, or will have been, fully paid or provided for by the Company, and all laws imposing such taxes will be or will have been complied with.

(dd) Investment Company Status. The Company is not, and upon consummation of the transactions contemplated by this Agreements and the other Transaction Documents will not be, an “investment company,” as defined in, or subject to, the Investment Company Act of 1940, as amended.

(ee) Bank Holding Company Act. Neither the Company nor any of its Subsidiaries or controlled Affiliates is subject to the Bank Holding Company Act of 1956, as amended (the “BHCA”), or to regulation by the Board of Governors of the Federal Reserve System (the “Federal Reserve”). Neither the Company nor any of its Subsidiaries or controlled Affiliates owns or controls, directly or indirectly, five percent (5%) or more of the outstanding shares of any class of voting securities or twenty-five percent (25%) or more of the total equity of a bank or any entity that is subject to the BHCA or to regulation by the Federal Reserve. Neither the Company nor any of its Subsidiaries or controlled Affiliates exercises a controlling influence over the management or policies of a bank or any entity that is subject to the BHCA or to regulation by the Federal Reserve.

(ff) No Additional Agreements. Other than confidentiality agreements entered into with each Buyer prior to the date of this Agreement (which shall remain in full force and effect except as expressly set forth therein), the Other Agreements, the Exchange Agreements and the Registration Rights Agreement, the Company does not have (A) any agreement, arrangement or understanding with any Buyer with respect to the transactions contemplated by the Transaction Documents, other than as specified in the Transaction Documents or (B) any other material agreement with respect to the Series A Notes, Series B Notes or 6% Notes or any additional financing or liability management transactions with respect to the Company or any Subsidiary, except as disclosed in the Filed SEC Documents.

(gg) Disclosure. All disclosure provided to the Buyers regarding the Company or any of its Subsidiaries, their business and the transactions contemplated hereby furnished by or on behalf of the Company, is true and correct and does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. The Company acknowledges and agrees that no Buyer makes or has made any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in Section 2.

(hh) Company Bad Actor Event. The offer and issuance of the Shares is not unavailable for an exemption under Rule 506 of Regulation D by the occurrence or issuance of any conviction, order, judgment, decree, suspension, injunction, expulsion or bar described in Rule 506(d) of Regulation D, except to the extent the subject of such conviction, order, judgment, decree, suspension, injunction, expulsion or bar is any Financial Advisor, any general partner or managing member of any Financial Advisor, or any director, executive officer or other officer of any Financial Advisor (each, a “Company Bad Actor Event”).

(ii) Financial Advisor Bad Actor Event. Each Financial Advisor has represented to and agreed with, the Company that (A) there has not occurred or been issued any conviction, order, judgment, decree, suspension, injunction, expulsion or bar described in Rule 506(d) of Regulation D that would make the offer and issuance of the Shares unavailable for an

exemption under Rule 506 of Regulation D to the extent the subject of such conviction, order, judgment, decree, suspension, injunction, expulsion or bar is such Financial Advisor, any general partner or managing member of such Financial Advisor, or any director, executive officer or other officer of such Financial Advisor (each, a “Financial Advisor Bad Actor Event”), (B) such Financial Advisor will notify the Company promptly of the occurrence or issuance of any Financial Advisor Bad Actor Event of which such Financial Advisor hereafter becomes aware, and (C) set forth on Annex II is a description of each matter that would have been a Financial Advisor Bad Actor Event had it not occurred before September 23, 2013 (the “Financial Advisor Prior Bad Actor Events”).

(jj) Bad Actor Disclosure. In accordance with Rule 506(e) of Regulation D, the Company has furnished to each Buyer, a reasonable time before the date hereof, a description of (1) each matter that would have been a Company Bad Actor Event had it not occurred before September 23, 2013 and (2) the Financial Advisor Prior Bad Actor Events.

(kk) Shares to be Issued. If the Closing Date were to be as of the date hereof, the aggregate number of shares of Common Stock and Preferred Stock to be issued by the Company pursuant to this Agreement and the Other Agreements would be 14,333,333 shares and 583,333 shares, respectively, subject to adjustment as contemplated in Section 1(a). The aggregate number of shares of Common Stock to be issued by the Company upon conversion or exchange of Series B Notes by the Buyer or Other Purchasers is 3,319,796 shares.

(ll) Extension Agreement. A correct and complete copy of the Extension Agreement (as defined herein) has been provided to the Buyers and, as of the Closing Date, such Extension Agreement has not been amended in any manner affecting any of the conditions to the effectiveness thereof.

4. COVENANTS.

(a) Reasonable Best Efforts. Each Party shall use its reasonable best efforts timely to satisfy each of the conditions to be satisfied by it as provided in Sections 5 and 6, as applicable, of this Agreement.

(b) Form D and Blue Sky. The Company shall file a Form D with respect to the Shares as required under Regulation D and shall provide a copy thereof to each Buyer promptly after such filing. The Company, on or before the Closing Date, shall take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for or to qualify the Shares for sale to the Buyers at the Closing pursuant to this Agreement under applicable securities or “Blue Sky” laws of the states of the United States (or to obtain an exemption from such qualification), and shall provide evidence of any such action so taken to the Buyers on or prior to the Closing Date. The Company shall make all filings and reports relating to the offer and sale of the Shares required under applicable securities or “Blue Sky” laws of the states of the United States following the Closing Date.

(c) Reporting Status. Until the earlier of (i) the date on which the Buyers no longer own any Registrable Securities (as such term is defined in the Registration Rights Agreement) and (ii) the date on which the Buyers may sell all of the Shares without restriction or

limitation pursuant to Rule 144 and without the requirement to be in compliance with Rule 144(c) (or any successor thereto) promulgated under the Securities Act, the Company shall timely file all reports required to be filed with the SEC pursuant to the Exchange Act, and the Company shall not terminate its status as an issuer required to file reports under the Exchange Act even if the Exchange Act or the rules and regulations promulgated thereunder would no longer require such status or otherwise permit such termination, and the Company shall take all actions necessary to maintain its eligibility to register the Shares for resale by the Buyers on Form S-3. The failure to file a report in a timely manner shall not be deemed to be a breach of this Section 4(c) so long as the Buyers are able to sell their Shares without restriction or interruption under an effective registration statement filed with the SEC by the Company.

(d) Registration Statement for Registrable Securities. The Company shall file the Registration Statement covering the registration of the resale of the Registrable Securities (as each such term is defined in the Registration Rights Agreement) with the SEC within three (3) business day after the Closing Date.

(e) Additional Registration Statements. Except as may be permitted under the Registration Rights Agreement, the Company will not file a registration statement under the Securities Act relating to securities other than the Shares, except for a registration statement on Form S-8, at any time through and including the Closing Date.

(f) Buyer Standstill. Each Buyer hereby agrees that at any time such Buyer beneficially owns (as defined in Section 13d-3 under the Exchange Act) any Shares, until the earliest of (a) termination of this Agreement, (b) the date that is six (6) months after the Closing Date and (c) the date of the public announcement of any Change of Control, such Buyer, its Subsidiaries and its commonly controlled or managed investment funds will not, without the prior written consent of the Company, directly or indirectly, acting alone or with others: (i) acquire Common Stock or securities convertible or exchangeable into Common Stock such that such Buyer would be deemed to be the beneficial owner of 30% or more of the Company's voting securities on a fully-diluted basis; (ii) solicit proxies for any Company shareholders meeting; (iii) make a tender or exchange offer for Common Stock; (iv) propose any merger, consolidation or other business combination with the Company or a purchase of all or substantially all of the Company's assets; or (v) other than with its Affiliates, form, join or in any way participate in a "group" (as defined in Section 13(d)(3) of the Exchange Act) with respect to any of the activities set forth in this Section 4(f). For purposes of this Section 4(f), "Change of Control" means the occurrence of one or more of the following events: (w) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties or assets of the Company and its Subsidiaries taken as a whole to any person (including any "person" (as that term is used in Section 13(d)(3) of the Exchange Act)), (x) the adoption of a plan relating to the liquidation or dissolution of the Company, (y) the consummation of any transaction (including, without limitation, any merger or consolidation), the result of which is that any person (including any "person" (as defined above)) becomes the beneficial owner, directly or indirectly, of more than 50% of the Company's voting securities measured by voting power rather than number of shares or (z) the first day on which a majority of the members of the Board of Directors of the Company are not Continuing Directors. For purposes of this Section 4(f), "Continuing Directors" means, as of any date of determination, any

member of the Board of Directors of the Company who: (a) was a member of such Board of Directors on the Closing Date or (b) was nominated for election or elected to such Board of Directors with the approval of a majority of the Continuing Directors who were members of such Board of Directors at the time of such nomination or election.

(g) Stockholder Approval and Conversion of Preferred Stock. The Company, acting through the Board, shall, in accordance with applicable law, the Principal Market rules and the Certificate of Incorporation and Bylaws, duly call, give notice of, convene and hold an annual or special meeting of its stockholders as promptly as practicable following execution of this Agreement (including any adjournment, recess, reconvening or postponement thereof, the “Stockholders’ Meeting”) for the purpose of obtaining stockholder approval of an amendment to the Company’s Certificate of Incorporation (the “Amendment”) to increase the amount of authorized shares of Common Stock to a number of shares sufficient for effecting the conversion of the Preferred Stock into shares of Common Stock pursuant to Exhibit A and, if necessary, to remove any restrictions on the conversion of the Preferred Stock (the “Removal”) set forth in Exhibit A (the “Stockholders’ Approval”). If the Stockholders’ Approval with respect to either the Amendment or the Removal is not obtained at the Stockholders’ Meeting, then the Company will continue to seek approval of the Amendment and/or the Removal at subsequent stockholders meetings, to be held no later than every six (6) months from the date of the prior stockholders meeting, until the date on which stockholder approval of both the Amendment and the Removal has been obtained. Immediately upon the effectiveness of the Amendment, each share of Preferred Stock, except for shares subject to the Common Stock Cap, shall automatically be converted into a number of fully paid and non-assessable shares of Common Stock as calculated pursuant to Exhibit A hereto. The number of shares of Common Stock and Preferred Stock issued to the Buyers and the Other Purchasers pursuant to this Agreement, the Other Agreements and the Exchange Agreements will, in the aggregate, be sufficient to approve the Amendment under the laws of the State of Delaware. Each Buyer covenants and agrees that it will not vote its Shares in favor of the Removal.

(h) Irrevocable Proxy. Each Buyer hereby appoints the Company as its true and lawful proxy and attorney-in-fact, with full power of substitution, to vote all such Buyer’s shares of Common Stock in favor of the Amendment. The proxy holder may exercise the irrevocable proxy granted to it hereunder at any time. The proxies and powers granted by each Buyer pursuant to this Section 4(h) are coupled with an interest and are given to secure the performance of such Buyer’s obligations to the Company under this Agreement. Such proxies and powers shall be irrevocable for so long as the Amendment has not been approved and shall survive the bankruptcy or dissolution of each such Buyer and the subsequent holders of its shares of Common Stock. No Buyer shall grant any proxy or become party to any voting trust or other agreement which is inconsistent with or conflicts with the provisions of this Agreement.

(i) Most Favored Nation Treatment. The Company covenants and agrees that (i) Other Purchasers will not purchase shares of Common Stock or Preferred Stock pursuant to the Other Agreements or any other agreement (including any side agreements) at a purchase price lower than the respective purchase price paid for the Common Stock and Preferred Stock pursuant to this Agreement and (ii) no Other Agreements will contain any material term that is more favorable to any Other Purchasers than those contained (or not contained) in this Agreement other than such terms applicable to such Other Purchaser as are necessary or

advisable in light of regulations applicable to such Other Purchaser that are not applicable to the Buyer.

(j) Certificate of Designations. The Company covenants and agrees that, on or prior to the Closing Date, it will file the Certificate of Designations with the Secretary of State of Delaware and use reasonable best efforts to cause such Certificate of Designations to be in full force and effect on the Closing Date.

(k) Exchange Listing. Following effectiveness of the Amendment, the Company will reserve and keep available at all times, free of pre-emptive rights, shares of Common Stock for the purpose of enabling the Company to satisfy all obligations to issue any Conversion Shares upon conversion of the Preferred Stock. The Company will use its reasonable best efforts to cause the Shares and the Conversion Shares to be designated for quotation or listed on the Principal Market.

(l) [Reserved]

(m) Conversion of Series B Notes and Agreement to Consent; Restriction on Amendment of Series B Notes. Each Buyer that holds Series B Notes covenants and agrees (i) to concurrently with Closing convert (the "Conversion") all of the Series B Notes that it owns pursuant to and in accordance with the terms of the indenture governing the Series B Notes (the "Series B Indenture"); (ii) within eight (8) business days of the execution and delivery of this Agreement, to deliver to the Company its irrevocable consent in the form attached hereto as Annex IV (the "Consent") to certain amendments to the Series B Indenture as set forth in the form of Supplemental Indenture attached hereto as Annex V (the "Supplemental Indenture"), which Supplemental Indenture shall become effective immediately following the Conversion, along with a noteholder's demand letter addressed to DTC with respect to such Consent; and (iii) promptly after the execution and delivery of this Agreement, will obtain the validation of such Holder's DTC participant with respect to its Consent and the signature of DTC with respect to such Consent (together, the "Required Validations") and deliver the Required Validations to the Company and the trustee under the Series B Indenture. The Company shall not deliver notice to the trustee under the Series B Indenture that the Transactions (as such term is defined in the Supplemental Indenture) have closed until (i) the Closing has occurred and (ii) the transactions contemplated by the Exchange Agreements have closed. The Company shall not amend the terms of the Series B Notes for so long as the Buyer or any of its Affiliates hold any Series B Notes.

(n) Restriction on Redemption or Amendment of Series A Notes of Buyer. The Company shall not (A) deliver (or arrange for the Trustee with respect to the Series A Notes to deliver) any notice of redemption with respect to the Series A Notes, (B) redeem or repurchase (or arrange for the Trustee with respect to the Series A Notes to redeem or repurchase) any Series A Notes owned by Buyer or (C) amend the Series A Notes or the indenture related therewith, in each case, prior to six (6) months and one day following the Closing.

(o) 6% Notes. The Company shall, concurrently with the closing of the transactions contemplated hereby, either (i) irrevocably deposit with the trustee under the indenture related to the Company's 6% Convertible Senior Notes due 2014 (the "6% Notes") an

amount of cash sufficient to repay all such 6% Notes at maturity (including accrued interest and all other amounts due and payable under the indenture relating to the 6% Notes), and provide irrevocable instructions to such trustee to repay all such 6% Notes at maturity, or (ii) irrevocably deposit into an escrow account an amount of cash sufficient to repay all such 6% Notes at maturity (including accrued interest and all other amounts due and payable under the indenture relating to the 6% Notes), which escrow account shall be governed by an escrow agreement providing that such funds may be used for no purpose other than to repay all such 6% Notes at maturity (with any amounts remaining in such escrow account after all such 6% Notes have been repaid in full reverting to the Company).

(p) HSR. If, at any time on or prior to January 7, 2014, any Buyer notifies the Company that a filing under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act") is required (as such Buyer shall determine in its sole discretion) in order to consummate the transactions contemplated by this Agreement, the Company and Buyer will use their reasonable best efforts to amend this Agreement to allocate a portion of the Shares to be purchased by Buyers hereunder (such allocation to be determined by Buyer in its sole discretion) to a new series of preferred stock of the Company (the "Series B Preferred Stock") such that the consummation of the transactions contemplated by this Agreement does not require a filing by any Buyer under the HSR Act. The Series B Preferred Stock will be identical in all respects to the Preferred Stock, except that (i) the Series B Preferred Stock will not be entitled to vote together with the Common Stock for any purpose, and (ii) will be convertible into Series A Preferred Stock once all required filings and all applicable waiting periods under the HSR Act with respect to the Buyer shall have been made or shall have expired or been terminated as applicable. The terms of the Series B Preferred Stock shall be satisfactory to Buyer in its reasonable discretion (and the provisions of this Agreement that reference the Preferred Stock shall be deemed also to reference the Series B Preferred Stock, mutatis mutandis). Following the Closing, the parties hereto shall cooperate with each other and, subject to the terms and conditions of this Agreement, use their respective reasonable best efforts to promptly prepare and file all necessary documentation and any notification required by the HSR Act that are reasonably deemed necessary or advisable permit the conversion of the Series B Preferred Stock to Common Stock pursuant to the terms of the Series B Certificate of Designation.

(q) Conversion Shares. Upon effectiveness of the Amendment, the Company shall (1) promptly cause the Conversion Shares issuable upon conversion of the Preferred Stock to be duly authorized and (2) reserve and keep available at all times, free of pre-emptive rights, shares of Common Stock for the purpose of enabling the Company to satisfy all obligations to issue any Conversion Shares upon conversion of the Preferred Stock.

5. CONDITIONS TO THE COMPANY'S OBLIGATION TO SELL THE SHARES.

The obligation of the Company hereunder to issue and sell the Shares to each Buyer at the Closing is subject to the satisfaction, at or before the Closing Date, of each of the following conditions, provided that these conditions are for the sole benefit of the Company and may be waived by the Company at any time in its sole discretion by providing each Buyer with prior written notice thereof, and provided, further, that the failure of a condition to be met as a

result of the Company's failure to satisfy its covenants in Section 4 hereof shall be deemed to be a waiver of such condition by such the Company:

(a) Such Buyer shall have executed each of the Transaction Documents to which it is a party and delivered the same to the Company.

(b) The representations and warranties of such Buyer shall be true and correct in all material respects as of the date when made and as of the Closing Date as though made at that time (except for representations and warranties that speak as of a specific date, which shall be true and correct as of such specified date), and such Buyer shall have performed, satisfied and complied in all material respects with the covenants, agreements and conditions required by this Agreement to be performed, satisfied or complied with by such Buyer at or prior to the Closing Date.

(d) There shall not have been instituted or pending any action, proceeding or investigation (whether formal or informal), and there shall not have been any material adverse development to any action or proceeding currently instituted or pending, before or by any court, governmental, regulatory or administrative agency or instrumentality in connection with the transactions contemplated by the Transaction Documents that (a) is, or is reasonably likely to be, materially adverse to the Company's business, operations, properties, condition (financial or otherwise), income, assets, liabilities or prospects, (b) would prohibit, prevent or restrict consummation of the transactions contemplated by the Transaction Documents or (c) would materially impair the contemplated benefits to the Company or the Buyer of the transactions contemplated by the Transaction Documents.

(e) No order, statute, rule, regulation, executive order, stay, decree, judgment or injunction shall have been enacted, entered, issued, promulgated, enforced or deemed applicable by any court or governmental, regulatory or administrative agency or instrumentality that either (a) would prohibit, prevent or restrict consummation of the transactions contemplated by the Transaction Documents or (b) is, or is reasonably likely to be, materially adverse to the Company's business, operations, properties, condition (financial or otherwise), assets, liabilities or prospects.

6. CONDITIONS TO EACH BUYER'S OBLIGATION TO PURCHASE THE SHARES AT THE CLOSING.

The obligation of each Buyer hereunder to purchase the Shares at the Closing is subject to the satisfaction, at or before the Closing Date, of each of the following conditions, provided that these conditions are for each Buyer's sole benefit and may be waived by such Buyer at any time in its sole discretion by providing the Company with prior written notice thereof, and provided, further, that the failure of a condition to be met as a result of Buyer's

failure to satisfy its covenants in Section 4 hereof shall be deemed to be a waiver of such condition by such Buyer:

(a) The Company shall have duly executed and delivered to such Buyer each of the Transaction Documents to which it is a party.

(b) (i) the condition set forth in paragraph (a) of Section 9 of the Extension of the Agreement for the Restructuring of the YRC Worldwide Inc. (c) The Amended and Restated Contribution Deferral Agreement, effective as of July 22, 2011, shall have been amended and extended with respect to at least 90% of the Obligations (as defined therein) to December 31, 2019.

(d) The Company shall have delivered to such Buyer a certified copy of the Certificate of Incorporation, as certified by the Secretary of State of the State of Delaware, within five (5) days of the Closing Date.

(e) The Company shall have delivered to such Buyer a certificate, substantially in the form attached hereto as Exhibit C, executed by the Secretary of the Company and dated as of the Closing Date, (i) certifying as to (a) resolutions of the Board approving this Agreement, the Certificate of Designations, the other Transaction Documents and the transactions contemplated hereby and thereby, (b) the Certificate of Incorporation and the Bylaws (in the case of the certificate of incorporation, certified by the Secretary of State of the State Delaware within five (5) days prior to the Closing Date) and any other governing documents of the Company, as amended, and (c) a certificate evidencing the good standing of the Company and each of its Significant Subsidiaries (as such term is defined in Regulation S-X) in the state of incorporation or organization of each such entity, issued by the Secretary of State (or comparable office) of such state of incorporation or organization as of a date within five (5) days of the Closing Date; and (ii) setting forth an incumbency certificate with respect to all officers of the Company executing this Agreement, the Certificate of Designations, the other Transaction Documents and/or any instrument or document contemplated hereby or thereby.

be true and correct in all respects) as of the date when made and as of the Closing Date as though made at that time (except for representations and warranties that speak as of a specific date which shall be true and correct as of such specified date) and the Company shall have performed, satisfied and complied in all material respects with the covenants, agreements and conditions required by the Transaction Documents to be performed, satisfied or complied with by the Company at or prior to the Closing Date. Such Buyer shall have received a certificate, substantially in the form attached hereto as Exhibit D, executed by the Chief Executive Officer or Chief Financial Officer of the Company and dated as of the Closing Date, to the foregoing effect and as to such other matters as may be reasonably requested by such Buyer.

(g) The Company shall have delivered to such Buyer a reasonably detailed computation of all of the Shares to be issued and outstanding immediately following the Closing, including reasonable factual support for such computation.

(h) All required governmental, regulatory (including, if applicable, under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended) and third party consents and approvals (including, without limitation, the Financing Facilities Consents), if any, necessary for the consummation of the Closing and all of the transactions contemplated by the Transaction Documents, including, without limitation, the sale of the Shares shall have been obtained.

(i) The Company shall have delivered to such Buyer such other documents relating to the transactions contemplated by this Agreement as such Buyer or its counsel may reasonably request.

(j) [Reserved.]

(k) The offer and sale of the Shares by the Company is exempt from registration under the Securities Act assuming the truth and accuracy of, and such Buyer's compliance with, the representations, warranties, agreements, acknowledgments and understandings of such Buyer set forth in Section 2(a) through (g) hereof and the corresponding representations, warranties, agreements, acknowledgments and understandings made by the Other Purchasers in the Other Agreements.

(l) Such Buyer shall have received the opinion of Kirkland & Ellis LLP, the Company's outside counsel, dated as of the Closing Date, in substantially the form of Exhibit E attached hereto.

(m) If any Buyer shall have notified the Company pursuant to Section 4(p) of this Agreement that a filing under the HSR Act is required in order to consummate the transactions contemplated hereby, the Company shall have complied with Section 4(p) in all respects and, on or prior to the Closing Date, the Company shall have filed the Certificate of Designations relating to the Series B Preferred Stock with the Secretary of State of the State of Delaware and such Certificate of Designation shall be in full force and effect on the Closing Date.

(o) No order, statute, rule, regulation, executive order, stay, decree, judgment or injunction shall have been enacted, entered, issued, promulgated, enforced or deemed applicable by any court or governmental, regulatory or administrative agency or instrumentality that either (a) would prohibit, prevent or restrict consummation of the transactions contemplated by the Transaction Documents or (b) is, or is reasonably likely to be, materially adverse to the Company's business, operations, properties, condition (financial or otherwise), assets, liabilities or prospects.

(r) On or prior to the Closing Date, the Company shall have filed the Certificate of Designations with the Secretary of State of the State of Delaware and such Certificate of Designation shall be in full force and effect, enforceable against the Company in accordance with its terms and has not been amended as of the Closing Date.

7. TERMINATION.

(a) Each Buyer may (but shall not be required to) terminate this Agreement in the event that the Closing shall not have occurred on or before the earliest of (i) the date that is five (5) business days after the conditions to Closing set forth in Sections 5 and 6 above have been satisfied (or any unsatisfied conditions set forth in such Sections have been waived, as provided herein), (ii) February 13, 2014 and (iii) an Event of Default (as defined in the Credit Agreement) pursuant to clause (t) of Article 7 of the Senior Credit Agreement has occurred and is continuing (after giving effect to all amendments, waivers, consents, supplements, modifications, grace and cure periods thereunder).

(b) Each Buyer may (but shall not be required to) terminate this Agreement upon the occurrence of a Bankruptcy Event (as hereinafter defined). A "Bankruptcy Event" shall mean: (i) commencement of an involuntary case or other proceeding against the Company or any of its Subsidiaries (each, a "Bankruptcy Party") that seeks liquidation, reorganization,

winding-up or other relief with respect to it or its debts or other liabilities under any bankruptcy, insolvency or other similar law now or hereafter in effect (“Bankruptcy Laws”) or seeks the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any of its property; (ii) commencement by a Bankruptcy Party of a voluntary case or other proceeding seeking liquidation, reorganization, winding-up or other relief with respect to itself or its debts or other liabilities under any Bankruptcy Laws or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official for it or any of its property, or a Bankruptcy Party’s consent to, or failure to controvert in a timely manner, any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or the making by a Bankruptcy Party of a general assignment for the benefit of creditors, or the failure by a Bankruptcy Party, or the admission by a Bankruptcy Party in writing of its inability, to pay its debts generally as they become due, or any action by a Bankruptcy Party to authorize or effect any of the foregoing; or (iii) any Bankruptcy Party enters into negotiations with one or more of its creditors (or any representative thereof) with respect to a “prepackaged” or “prearranged” bankruptcy or similar plan.

(c) Each Buyer may (but shall not be required to) terminate this Agreement if (i) there has been a breach by the Company of any representation, warranty, covenant or agreement contained in this Agreement or if any representation or warranty of the Company shall have become untrue, in either case such that one or more conditions set forth in Section 6 would not (taking all such breaches into account) be satisfied, and (ii) such breach is not curable, or, if curable, is not cured within five (5) business days after written notice of such breach is given to the Company by any of the Buyers.

(d) In the event of the termination of this Agreement pursuant to Section 7, this Agreement shall forthwith become void, and there shall be no liability on the part of any Party or their respective officers, directors, stockholders, or affiliates; provided, that, such termination shall not relieve any party from liability for breach of its representations or warranties or covenants hereunder.

8. MISCELLANEOUS.

(a) Governing Law; Jurisdiction; Jury Trial. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing

contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. **EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY.**

(b) Counterparts. This Agreement may be executed in two or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party; provided that a facsimile signature shall be considered due execution and shall be binding upon the signatory thereto with the same force and effect as if the signature were an original, not a facsimile signature.

(c) Headings. The headings of this Agreement are for convenience of reference and shall not form part of, or affect the interpretation of, this Agreement.

(d) Severability. If any provision of this Agreement is prohibited by law or otherwise determined to be invalid or unenforceable by a court of competent jurisdiction, the provision that would otherwise be prohibited, invalid or unenforceable shall be deemed amended to apply to the broadest extent that it would be valid and enforceable, and the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions of this Agreement so long as this Agreement as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the prohibited nature, invalidity or unenforceability of the provision(s) in question does not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties. The parties will endeavor in good faith negotiations to replace the prohibited, invalid or unenforceable provision(s) with a valid provision(s), the effect of which comes as close as possible to that of the prohibited, invalid or unenforceable provision(s).

(e) Entire Agreement; Amendments. This Agreement (including the recitals, annexes, exhibits and schedules hereto), the Certificate of Designations and the other Transaction Documents supersede all other prior oral or written agreements between the Buyers, the Company, their controlled Affiliates and persons acting on their behalf with respect to the matters discussed herein, and this Agreement, the other Transaction Documents, the Certificate of Designations and the instruments referenced herein and therein contain the entire understanding of the parties with respect to the matters covered herein and therein and, except as specifically set forth herein or therein, neither the Company nor any Buyer (nor any officer, director, employee, attorney, agent, representative or other person acting on their behalf) makes any representation, warranty, covenant or undertaking with respect to such matters and each of Buyer and the Company expressly agree that they are not relying on any representation or warranty other than the representations and warranties of Buyer and the Company expressly set forth herein or in the other Transaction Documents and no person, other than the parties hereto, shall have any liability to such party or any of its affiliates with respect to the transactions contemplated hereby. No provision of this Agreement may be amended other than by an instrument in writing signed by the Company and each of the Buyers, and any amendment to this

Agreement made in conformity with the provisions of this Section 8(e) shall be binding on all Buyers. No provision hereof may be waived other than by an instrument in writing signed by the party against whom enforcement is sought. The Company has not, directly or indirectly, made any agreements with any Buyers relating to the terms or conditions of the transactions contemplated by the Transaction Documents except as set forth in the Transaction Documents.

Without limiting the foregoing, the Company confirms that, except as set forth in this Agreement, no Buyer has made any commitment or promise or has any other obligation to provide any financing to the Company or otherwise.

(f) Notices. Any notices, consents, waivers or other communications required or permitted to be given under the terms of this Agreement must be in writing and will be deemed to have been delivered: (i) upon receipt, when delivered personally; (ii) upon receipt, when sent by facsimile (provided confirmation of transmission is mechanically or electronically generated and kept on file by the sending party); or (iii) one business day after deposit with an overnight courier service, in each case properly addressed to the party to receive the same. (g) Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns, including any purchasers of the Shares pursuant to this Agreement. The Company shall not assign this Agreement or any rights or obligations hereunder without the prior written consent of the holders of at least a majority of the aggregate number of Shares. A Buyer may assign some or all of its rights hereunder to an affiliate of or fund managed or advised by such Buyer without the consent of the Company, in which event such assignee shall be deemed to be a Buyer hereunder with respect to such assigned rights.

(h) No Third Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective permitted successors and assigns, and is not for the benefit of, nor may any provision hereof be enforced by, any other person; provided that to the extent that this Agreement contains a covenant or agreement of a party hereto with respect to a limitation on claims against or liability of a third-party hereunder (including any officer, director, employee, affiliate, attorney, or other representative of any party) with respect to the transactions contemplated hereby, such covenant or agreement may be enforced by such third-party.

(i) Survival. Unless this Agreement is terminated under Section 7, the representations and warranties of the Company and the Buyers contained in Sections 2 and 3, and the agreements and covenants set forth in Section 4, shall survive the Closing and the delivery of the Shares and shall terminate as to each Buyer once such Buyer ceases to own any Shares; provided, however, that no termination of this Agreement pursuant to Section 7 shall relieve any Party of liability for a breach of any provision of this Agreement occurring before such termination. Each Buyer shall be responsible only for its own representations, warranties, agreements and covenants hereunder.

(j) Further Assurances. Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents, as any other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement, the Certificate of Designations and the other Transaction Documents and the consummation of the transactions contemplated hereby and thereby.

(k) Indemnification. In consideration of each Buyer's execution and delivery of the Transaction Documents and acquiring the Shares thereunder and in addition to all of the Company's other obligations under the Transaction Documents, the Certificate of Designations, the Company shall defend, protect, indemnify and hold harmless each Buyer and each other holder of the Shares and all of their stockholders, partners, members, officers, directors, employees and direct or indirect investors and any of the foregoing persons' agents, attorneys or other representatives (including, without limitation, those retained in connection with the

transactions contemplated by this Agreement), and each person who controls any such Buyer (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, partners, members, managers, stockholders, agents and employees of each such controlling person (collectively, the “Indemnitees”) from and against any and all actions, causes of action, suits, claims, losses, costs, penalties, fees, liabilities and damages, and expenses in connection therewith (irrespective of whether any such Indemnitee is a party to the action for which indemnification hereunder is sought), and including reasonable attorneys’ fees and disbursements (the “Indemnified Liabilities”), incurred by any Indemnitee as a result of, or arising out of, or relating to (i) any misrepresentation or breach of any representation or warranty made by the Company in the Transaction Documents or any other certificate, instrument or document contemplated hereby or thereby, (ii) any breach of any covenant, agreement or obligation of the Company contained in the Transaction Documents, the Certificate of Designations, or any other certificate, instrument or document contemplated hereby or thereby or (iii) any cause of action, suit or claim brought or made against such Indemnitee by a third party (including for these purposes a derivative action brought on behalf of the Company) and arising out of or resulting (x) from the execution, delivery, performance or enforcement of the Transaction Documents, the Certificate of Designations or any other certificate, instrument or document contemplated hereby or thereby, (y) from any transaction financed or to be financed in whole or in part, directly or indirectly, with the proceeds of the issuance of the Shares, or (z) solely from the status of such Buyer or holder of the Shares as an investor in the Company. To the extent that the foregoing undertaking by the Company may be unenforceable for any reason, the Company shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. Except as otherwise set forth herein, the mechanics and procedures with respect to the rights and obligations under this Section 8(k) shall be the same as those set forth in Section 5 of the Registration Rights Agreement.

(l) No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.

(m) Remedies. Each Buyer and each holder of the Shares shall have all rights and remedies set forth in the Transaction Documents, the Certificate of Designations and all rights and remedies which such holders have been granted at any time under any other agreement or contract and all of the rights which such holders have under any law. Any person having any rights under any provision of this Agreement shall be entitled to enforce such rights specifically (without posting a bond or other security), to recover damages by reason of any breach of any provision of this Agreement and to exercise all other rights granted by law. Furthermore, the Company recognizes that in the event that it fails to perform, observe or discharge any or all of its obligations under the Transaction Documents and the Certificate of Designations, any remedy at law may prove to be inadequate relief to the Buyers. The Company therefore agrees that the Buyers shall be entitled to temporary and permanent injunctive relief in any such case, including specific performance, without the necessity of proving actual damages and without posting a bond or other security, and that the Company shall pay or reimburse the Buyers for all costs and expenses, including reasonable attorneys’ fees, incurred by the Buyers (or their agents or representatives) in connection therewith. The Company further acknowledges and agrees that

the terms and conditions of this Section 8(m) are a material inducement to the Buyers' agreement to enter into this Agreement and the other Transaction Documents.

(n) Independent Nature of Buyers' Obligations and Rights. The obligations of each Buyer under any Transaction Document are several and not joint with the obligations of any other Buyer, and no Buyer shall be responsible in any way for the performance of the obligations of any other Buyer under any Transaction Document. Nothing contained herein or in any other Transaction Document, and no action taken by any Buyer pursuant hereto or thereto, shall be deemed to constitute the Buyers as, and the Company acknowledges that the Buyers do not so constitute, a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Buyers are in any way acting in concert or as a group, and the Company will not assert any such claim with respect to such obligations or the transactions contemplated by the Transaction Documents and the Company acknowledges that the Buyers are not acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. The Company acknowledges and each Buyer confirms that it has independently participated in the negotiation of the transaction contemplated hereby with the advice of its own counsel and advisors. Each Buyer shall be entitled to independently protect and enforce its rights, including, without limitation, the rights arising out of this Agreement or out of any other Transaction Documents and the Certificate of Designations, and it shall not be necessary for any other Buyer to be joined as an additional party in any proceeding for such purpose.

(o) Disclosure. The Parties acknowledge and agree that if the Buyers or any of their Affiliates file this Agreement (other than Exhibit D hereof), the Registration Rights Agreement, the Certificate of Designations, any Certificate of Designations relating to the Series B Preferred Stock (if applicable) or any exhibits thereto, or any other agreement or instrument contemplated by this Agreement, without redaction, with the SEC on or after the date hereof, such filing will be in compliance with the terms of the confidentiality agreement entered into by and between the Company and Avenue Investments, L.P., dated December 9, 2013.

B. Designation and Amount. Such number of shares may be decreased by resolution of the Board of Directors as provided in the Certificate of Incorporation; provided that no decrease shall reduce the number of shares of Convertible Preferred Stock to a number less than that of the shares then outstanding plus the number of shares reserved for issuance upon the exercise of outstanding options, rights or warrants or upon the conversion of any outstanding securities issued by the Corporation exercisable for or convertible into the Convertible Preferred Stock. Shares of the Convertible Preferred Stock shall be issued in certificated form in restricted accounts at the Corporation or its transfer agent and registered in the holders’ respective names.

C. Ranking. The Convertible Preferred Stock shall, with respect to dividend rights and rights on liquidation, winding up and dissolution of the Corporation, rank senior to (i) the Common Stock, (ii) all other classes and series, and all shares of all other classes and series, of Capital Stock of the Corporation now authorized, issued or outstanding and (iii) all other classes

and series, and all shares of all other classes and series, of Capital Stock of the Corporation hereafter authorized, issued or outstanding that do not expressly rank *pari passu* or senior to the Convertible Preferred Stock (collectively, the “*Junior Securities*”).

D. Dividends. The Convertible Preferred Stock will not accrue dividends until the six-month anniversary of the Issue Date (the “*Dividend Accrual Date*”). All dividend accruals pursuant to this Section D shall be based on a 365-day year. Any Accrued Dividends shall not bear interest. Accrued but unpaid dividends may be declared and paid at any time.

E. Voting Rights.

1. *Generally*. When voting separately as a class, each share of Convertible Preferred Stock shall entitle the holder thereof to one vote. Except as may be otherwise expressly provided in the Certificate of Incorporation or as expressly required by the DGCL, the holders of the Convertible Preferred Stock shall vote together as a single class with the shares of the Common Stock and not as a separate class, on an As-Converted-to-Common-Stock-Basis, at any annual or special meeting of stockholders of the Corporation and each holder of shares of Convertible Preferred Stock shall be entitled to such number of votes as they would receive on an As-Converted-to-Common-Stock-Basis on the record date for such vote; provided, however, that (i) any portion of such shares of Convertible Preferred Stock held by a Purchaser or its affiliates that are or would otherwise be subject to the Common Stock Cap (as defined herein) assuming for this purpose the conversion of the Convertible Preferred Stock in accordance with Section H.1 shall not have any right to vote together as a single class with the shares of Common Stock on an As-Converted-to-Common-Stock-Basis; and (ii) no holder of Convertible Preferred Stock shall be entitled to vote such shares of Convertible Preferred Stock in connection with any proposal submitted to the stockholders of the Corporation to approve the the removal of the Common Stock Cap.

2. *Certain Matters*. So long as any shares of Convertible Preferred Stock shall be outstanding, and unless the consent or approval of a greater number of shares shall then be required by law, without first obtaining the consent or approval of the holders of at least a majority of the shares of the Convertible Preferred Stock then outstanding, the Corporation shall not (except with respect to the Stockholders’ Approval), either directly or indirectly by amendment, merger, consolidation or otherwise and any such act or transaction entered into without such consent or vote shall be null and void *ab initio*, and of no force or effect: (i) amend, alter, change or repeal the Certificate of Incorporation, or waive any provisions thereof, in a manner that would materially and adversely affect the rights,

preferences or powers of the holders of Convertible Preferred Stock and no amendment, alteration or repeal shall be made that has a disproportionate adverse effect on any holder of Convertible Preferred Stock in a manner different than other holders of Convertible Preferred Stock; (ii) amend, alter, change or repeal the rights, preferences or powers of Convertible Preferred Stock; (iii) declare, pay, or set apart for payment, any dividends or any other distributions of any sort by the Corporation, in each case prior to the later of (a) the date on which the Stockholders' Approval is received or (b) the date on which the Common Stock Cap Stockholder Approval is received, in respect of any Junior Securities or any Parity Securities; (iv) purchase, redeem or otherwise acquire or retire for value, in each case prior to the later of (a) the date on which the Stockholders' Approval is received or (b) the date on which the Common Stock Cap Stockholder Approval is received, any Parity Securities, Junior Securities, or any Capital Stock of any wholly-owned Subsidiary of the Corporation, or any securities exercisable or exchangeable for any of the foregoing, other than in connection with the surrender by employees of the Corporation of portions of equity awards to satisfy tax withholding obligations; provided that the foregoing limitations shall not apply to redemptions, purchases or other acquisitions of shares of Common Stock or other Junior Securities by the Corporation in connection with the provisions of any employee benefit plan or other equity agreement with the employees, officers and directors of the Corporation; or (v) authorize, create, increase the authorized amount of, reclassify into, in each case prior to the later of (a) the date on which the Stockholders' Approval is received or (b) the date on which the Common Stock Cap Stockholder Approval is received, Parity Securities, or any class or series, or any shares of any class or series, of Capital Stock of the Corporation ranking senior in priority to the Convertible Preferred Stock with respect to the right to dividends or preference on liquidation (including additional shares of Preferred Stock) or issue any debt securities convertible into Capital Stock.

3. *Class A Convertible Preferred Director.* Beginning on the first anniversary of the Issue Date, and for so long as any of the shares of Convertible Preferred Stock remain outstanding, the holders representing at least a majority of the shares of Convertible Preferred Stock shall be entitled to elect one (1) director (the "**Class A Director**") to the Board. The Class A Director may be removed from the Board at any time, with or without cause, by holders representing at least a majority of the Convertible A Preferred Stock and any vacancy on the Board resulting from death, resignation, retirement, disqualification or removal of the Class A Director may be filled solely by the affirmative vote of holders representing at least a majority of the Convertible Preferred Stock. The term of office of the Class A Director shall terminate on the earlier of (i) the date on which no shares of Convertible Preferred Stock are outstanding (at which time such Class A Director shall automatically no longer be a director on the Board and shall not be entitled to receive notice of Board meetings, to attend or vote at Board meetings or be considered a member of the Board for any purpose including for determining whether a quorum of directors is present at a meeting of the directors); (ii) the death, resignation, retirement, disqualification or removal of such Class A Director; or (iii) the due election and qualification of a successor to such Class A Director.

F. Reacquired Shares. Any shares of Convertible Preferred Stock redeemed, purchased, or otherwise acquired by the Corporation in any manner whatsoever shall be retired promptly after the acquisition thereof, and, if necessary to provide for the lawful redemption or purchase of

such shares, the capital represented by such shares shall be reduced in accordance with the DGCL. The Corporation shall take all such action as are necessary to cause all such shares (and compliance with any applicable provisions of the laws of the State of Delaware) to become authorized but unissued shares of Preferred Stock and may be redesignated and reissued as part of any other series of Preferred Stock, subject to the conditions or restrictions on authorizing, or creating, or issuing any class or series, or any shares of any class or series, set forth in Section E.2.

G. Liquidation, Dissolution, or Winding Up.

1. *Priority.* In the event of any liquidation, dissolution, or winding up of the Corporation (a “**Liquidation Event**”), whether voluntary or involuntary, no holders of Junior Securities shall receive, by reason of their ownership thereof, any payment or distribution of any of the assets of the Corporation until the holders of the shares of Convertible Preferred Stock then outstanding, by reason of their ownership thereof, shall have first received an amount in cash per share of Convertible Preferred Stock equal to the greater of (i) 100% of the Liquidation Preference thereof (as adjusted for changes in the Convertible Preferred Stock by stock split, stock dividend, stock combination, or the like occurring after the Issue Date) *plus* an amount in cash equal to all Accrued Dividends through the date of the effectiveness of the Liquidation Event, and (ii) the amount such holder of Convertible Preferred Stock would receive as a holder of Common Stock on an As-Converted-to-Common-Stock-Basis (such amount being referred to herein as the “**Liquidation Amount**”). If, upon the occurrence of any Liquidation Event, the assets and funds of the Corporation available to be distributed among the holders of the Convertible Preferred Stock shall be insufficient to permit the payment to such holders of the full Liquidation Amount, then the holders of Junior Securities shall not receive, by reason of their ownership thereof, any payment or distribution of any of the assets of the Corporation, and the holders of all such shares of Convertible Preferred Stock shall share ratably in any distribution of assets of the Corporation in accordance with the amounts that would be payable on any such distribution if the Liquidation Amount were to be paid in full.

2. *Excluded Events.* For purposes of this Section G, none of the voluntary sale, conveyance, exchange and transfer (for cash, shares of stock, other securities or other consideration) of all or substantially all of the property or assets of the Corporation, and no consolidation or merger of the Corporation with any one or more other corporations, shall be deemed to be a Liquidation Event unless such voluntary sale, conveyance, exchange or transfer shall be in connection with a plan of liquidation, dissolution or winding up of the Corporation.

H. Conversion.

1. *Automatic.* Immediately upon the effectiveness of the Amendment and the filing of the Certificate of Amendment with the Secretary of the State of Delaware (the “**Effective Date**”), each share of Convertible Preferred Stock shall automatically be converted into a number of fully paid and non-assessable shares of Common Stock equal to the quotient obtained by dividing (i) (a) the Liquidation Preference *plus* (b) the amount of Accrued Dividends, by (ii) the Conversion Price; provided, however, that to the extent such conversion would result in a Purchaser and its affiliates Beneficially Owning more than 19.99% of the issued and outstanding Common Stock of the Corporation, such portion of

the Purchaser's shares of Convertible Preferred Stock shall only convert on such date in such a manner as will result in such Purchaser Beneficially Owning not more than 19.99% of the issued and outstanding Common Stock of the Corporation (the "**Common Stock Cap**"); provided, further, in the event a Purchaser or an affiliate of a Purchaser sells, transfers or otherwise disposes of shares of Convertible Preferred Stock to a Person other than a Purchaser or an affiliate of a Purchaser after the effectiveness of the Amendment, (i) the Purchaser or an affiliate of the Purchaser shall notify the Company of such sale, transfer or other disposition within three Business Days of such transaction (provided that if such transaction is reported on a filing with the SEC, such notification shall be deemed to have been made to the Company, (ii) the Company shall notify Purchaser within two (2) Business Days following the date of such notification pursuant to subclause (i) of this proviso of an additional number of shares of Convertible Preferred Stock that shall be converted into Common Stock in such a manner as will result in such Purchaser Beneficially Owning one share of Common Stock less than the Common Stock Cap, and (iii) such additional number of shares of Convertible Preferred Stock as set forth in the Company's notification pursuant to subclause (ii) of this proviso shall automatically convert into Common Stock on the first Business Day after the Company's notification is delivered; provided, further, on the last day of each calendar quarter (i.e. March 31st, June 30th, September 30th and December 31st) subsequent to the Effective Date, the Common Stock Cap shall be determined again and the Company shall notify Purchaser within two (2) Business Days of such determination, and each share of Preferred Stock shall automatically convert, subject to such newly determined Common Stock Cap, into Common Stock in the manner described above on the first Business Day following delivery of notice of such determination; provided, further, that notwithstanding the foregoing, all shares of Convertible Preferred Stock outstanding on the date that the holders of the Common Stock of the Corporation approve the removal of the Common Stock Cap, in accordance with the applicable Nasdaq Listing Rules, shall automatically convert into Common Stock at the Conversion Price; provided, however, that neither a Purchaser nor its affiliates shall be permitted to vote shares of the Corporation's Capital Stock that such Purchaser obtained pursuant to the SPA or Exchange Agreements. The initial "**Conversion Price**" for the Convertible Preferred Stock shall be \$15.00 per share, as such price is adjusted in accordance with Sections H.3 through H.7. All references to the Conversion Price herein shall mean the Conversion Price as so adjusted.

2. *Mechanics of Conversion.* Upon the occurrence of the shareholder vote specified in Section H.1 above, the outstanding shares of Convertible Preferred Stock (or such portion thereof) shall be converted automatically without any further action by the holders of such shares. Upon the occurrence of such automatic conversion of the Convertible Preferred Stock, the Corporation will make entries in the share registry of the Corporation or any transfer agent for the Convertible Preferred Stock in the holders' respective names for the number of whole shares of Common Stock into which the shares of Convertible Preferred Stock surrendered and Accrued Dividends thereon were convertible on the date on which such automatic conversion occurred, with fractional shares of Common Stock (after aggregating all Convertible Preferred Stock and Accrued Dividends thereon being converted on such date) rounded down to the nearest whole share of Common Stock.

3. *Adjustment for Stock Splits and Combinations.* If the Corporation shall at any time or from time to time after the Issue Date effect a subdivision or like transaction of the outstanding Common Stock without a corresponding subdivision of the Convertible Preferred Stock, the Conversion Price in effect immediately before that subdivision shall be proportionately decreased. Conversely, if the Corporation shall at any time or from time to time after the Issue Date combine the outstanding shares of Common Stock into a smaller number of shares or like transaction without a corresponding combination of the Convertible Preferred Stock, the Conversion Price in effect immediately before the combination shall be proportionately increased. Any adjustment under this Section H.3 shall become effective at the close of business on the date the subdivision or combination becomes effective.

4. *Adjustment for Common Stock Dividends and Distributions.* The Corporation shall not at any time after the Issue Date make a dividend payment or other distribution payable in additional shares of Common Stock unless the holders of the shares of Convertible Preferred Stock then outstanding, by reason of their ownership thereof, shall have first received an amount of cash and/or shares of Common Stock, as applicable, equal to the greater of (i) a like dividend on shares of Convertible Preferred Stock based on the Conversion Price and (ii) the amount such holder of Convertible Preferred Stock would receive as a holder of Common Stock on an As-Converted-to-Common-Stock-Basis. For purpose of this section, the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Corporation.

5. *Adjustment for Other Common Stock Dividends and Distributions.* The Corporation shall not at any time after the Issue Date make a dividend payment or other distribution payable to all holders (or in the case of clause (ii) below, substantially all holders) of Common Stock in (i) rights, warrants or options to subscribe for or purchase shares of Common Stock (or securities convertible into Common Stock) at a price per share (or having a conversion price per share) less than the closing price of the Common Stock on the record date for determination of stockholders entitled to receive such right, warrant or option), or (ii) shares of Capital Stock (other than Common Stock), evidences of indebtedness or other assets or property unless the holders of the shares of Convertible Preferred Stock then outstanding, by reason of their ownership thereof, shall have first received an amount equal to the greater of (i) a like dividend or distribution on, or like opportunity to subscribe by holders of, shares of Convertible Preferred Stock based on the Conversion Price and (ii) the amount such holder of Convertible Preferred Stock would receive as a holder of Common Stock on an As-Converted-to-Common-Stock-Basis.

6. *Adjustment for Reclassification, Exchange and Substitution.* If at any time or from time to time after the Issue Date, the Common Stock issuable upon the conversion of the Convertible Preferred Stock and Accrued Dividends thereon is changed into the same or a different number of shares of any other class or classes of stock, whether by recapitalization, reclassification or otherwise (other than a subdivision or combination of shares or stock dividend or a reorganization, merger, consolidation or sale of assets, in each case as provided for elsewhere in this Section H), in any such event the Convertible Preferred Stock and Accrued Dividends thereon shall automatically convert into the kind and amount of stock and other securities and property receivable upon such recapitalization, reclassification or other change on an As-Converted-to-Common-Stock-Basis, all subject to

further adjustment as provided herein or with respect to such other securities or property by the terms thereof.

7. *Reorganizations, Mergers, Consolidations or Sales of Assets.* If at any time or from time to time after the Issue Date, there is a capital reorganization of the Common Stock (other than a Liquidation Event or a recapitalization, subdivision, combination, reclassification, exchange or substitution of shares provided for elsewhere in this Section H), as a part of such capital reorganization, provision shall be made so that the holders of the Convertible Preferred Stock shall receive on an As-Converted-to-Common-Stock-Basis the number of shares of stock or other securities or property of the Corporation to which a holder of the number of shares of Common Stock would have been entitled in such event, subject to adjustment as provided herein with respect to such stock or securities by the terms thereof. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section H with respect to the rights of the holders of Convertible Preferred Stock after the capital reorganization to the end that the provisions of this Section H (including adjustment of the Conversion Price then in effect) shall be applicable after that event and be as nearly equivalent as practicable.

8. *Notice of Adjustment.* Whenever the Conversion Price is adjusted as herein provided, the Corporation shall prepare a notice of such adjustment of the Conversion Price setting forth the adjusted Conversion Price and the effective date of such adjustment and shall mail such notice of such adjustment of the Conversion Price to the holders of the Convertible Preferred Stock in accordance with Section I hereof.

I. *Notices.* All notices or communications in respect of the Convertible Preferred Stock shall be sufficiently given if given in writing and delivered in person or by first-class mail, postage prepaid, to any holder of the Convertible Preferred Stock at such holder's last address appearing on the books of the Corporation, or if given in such other manner, as may be permitted by the terms hereof, in the Certificate of Incorporation or Bylaws or by applicable law.

J. *Procedures for Voting and Consents.* The rules and procedures for calling and conducting any meeting of the holders of Convertible Preferred Stock (including, without limitation, the fixing of a record date in connection therewith), the solicitation and use of proxies at such a meeting, the obtaining of written consents and any other aspect or matter with regard to such a meeting or such consents shall be governed by any rules that the Board (or a duly authorized committee of the Board), in its discretion, may adopt from time to time, which rules and procedures shall conform to the requirements of the Certificate of Incorporation, Bylaws or the DGCL.

K. *Record Holders.* To the fullest extent permitted by applicable law, the Corporation and the transfer agent, if any, for the Convertible Preferred Stock may deem and treat the record holder of any share of Convertible Preferred Stock as the true and lawful owner thereof for all purposes, and neither the Corporation nor such transfer agent shall be affected by any notice to the contrary.

L. *Effectiveness.* This Certificate of Designations shall be effective upon the filing of the same with the Secretary of State of Delaware.

The parties agree that notwithstanding anything to the contrary herein or in the Share Acquisition Agreements, no Liquidated Damages shall be payable for any period after the expiration of the Effectiveness Period (except in respect of an Event described in Section 2(c)(v) herein). The Liquidated Damages pursuant to the terms hereof shall apply on a daily pro-rata basis for any

portion of a month prior to the cure of an Event. The right to receive the Liquidated Damages under this Section 2(c) shall be the Holder's exclusive remedy for any failure by the Company to comply with the provisions of this Section 2(c). Notwithstanding the foregoing, the Company can defer the payment of any Liquidated Damages that are otherwise due and payable pursuant to this Section 2(c) during any period in which the Company is not permitted to pay such Liquidated Damages pursuant to the terms of the Financing Facilities (as defined in the Purchase Agreement) and will make any such deferred payment of Liquidated Damages as soon as reasonably practicable following the termination on any such period and in any event no later than the stated maturity of such Financing Facilities.

5. Indemnification.

(a) Indemnification by the Company. The Company shall, notwithstanding any termination of this Agreement, indemnify, defend and hold harmless each Holder, the officers, directors, agents, partners, members, managers, stockholders, Affiliates and employees of each of them, each Person who controls any such Holder (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, partners, members, managers, stockholders, agents and employees of each such controlling Person, to the fullest extent permitted by applicable law, from and against any and all losses, claims, damages, liabilities, costs (including, without limitation, reasonable costs of preparation and investigation and reasonable attorneys' fees) and expenses (collectively, "Losses"), as incurred, that arise out of or are based upon (i) any untrue or alleged untrue statement of a material fact contained in any Registration Statement, any Prospectus or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading, or (ii) any violation or alleged violation by the Company of the Securities Act, Exchange Act or any state securities law or any rule or regulation thereunder, in connection with the performance of its obligations under this Agreement, except to the extent, but only to the extent, that (A) such untrue statements, alleged untrue statements, omissions or alleged omissions are based solely upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein, (B) in the case of an occurrence of an event of the type specified in Section 3(c)(iii)-(v), related to the use by a Holder of an outdated or defective Prospectus after the Company has notified such Holder in writing that the Prospectus is outdated or defective and prior to the receipt by such Holder of the Advice contemplated and defined in Section 6(e) below, but only if and to the extent that following the receipt of the Advice the misstatement or omission giving rise to such Loss would have been fully corrected or (C) any such Losses arise out of the Purchaser's (or any other indemnified Person's) failure to send or provide a copy of the Prospectus or supplement (as then amended or supplemented), if required, to the Persons asserting an untrue statement or alleged untrue statement or alleged untrue statement or omission or alleged omission at or prior to the written confirmation of the sale of Registrable Securities to such Person if such statement or omission was corrected in such Prospectus or supplement. The Company shall notify the Holders promptly of the institution, threat or assertion of any Proceeding arising from or in connection with the transactions contemplated by this Agreement of which the Company is aware. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of an Indemnified Party (as defined in Section 5(c)) and shall survive the transfer of the Registrable Securities by the Holders.

(b) Indemnification by Holders. Each Holder shall, severally and not jointly, indemnify and hold harmless the Company, its directors, officers, agents and employees, each Person who controls the Company (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, agents or employees of such controlling Persons, to the fullest extent permitted by applicable law, from and against all Losses, as incurred, arising out of or are based upon any untrue or alleged untrue statement of a material fact contained in any Registration Statement, any Prospectus, or any form of prospectus, or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or

relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus, or any form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading (i) to the extent, but only to the extent, that such untrue statements or omissions are based solely upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein or (ii) in the case of an occurrence of an event of the type specified in Section 3(c)(iii)-(v), to the extent, but only to the extent, related to the use by such Holder of an outdated or defective Prospectus after the Company has notified such Holder in writing that the Prospectus is outdated or defective and prior to the receipt by such Holder of the Advice contemplated in Section 6(e). In no event shall the liability of any selling Holder hereunder be greater in amount than the dollar amount of the net proceeds received by such Holder upon the sale of the Registrable Securities giving rise to such indemnification obligation.

(c) Conduct of Indemnification Proceedings. If any Proceeding shall be brought or asserted against any Person entitled to indemnity hereunder (an “*Indemnified Party*”), such Indemnified Party shall promptly notify the Person from whom indemnity is sought (the “*Indemnifying Party*”) in writing, and the Indemnifying Party shall have the right to assume the defense thereof, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of all reasonable fees and expenses incurred in connection with defense thereof; *provided*, that the failure of any Indemnified Party to give such notice shall not relieve the Indemnifying Party of its obligations or liabilities pursuant to this Agreement, except (and only) to the extent that it shall be finally determined by a court of competent jurisdiction (which determination is not subject to appeal or further review) that such failure shall have materially and adversely prejudiced the Indemnifying Party.

An Indemnified Party shall have the right to employ separate counsel in any such Proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Parties unless: (1) the actual or potential defendants in, or targets of, any action include both the Indemnified Party and the Indemnifying Party and the Indemnified Party shall have reasonably concluded, based on the advice of counsel, that there may be legal defenses available to it and/or other Indemnified Parties which are different from or additional to those available to the Indemnifying Party; (2) the Indemnifying Party has agreed in writing to pay such fees and expenses; (3) the Indemnifying Party shall have failed promptly to assume the defense of such Proceeding and to employ counsel reasonably satisfactory to such Indemnified Party in any such Proceeding; or (4) the named parties to any such Proceeding (including any impleaded parties) include both such Indemnified Party and the Indemnifying Party, and such Indemnified Party shall have been advised by counsel that a conflict of interest exists if the same counsel were to represent such Indemnified Party and the Indemnifying Party (in which case, if such Indemnified Party notifies the Indemnifying Party in writing that it elects to employ separate counsel at the expense of the Indemnifying Party, the Indemnifying Party shall not have the right to assume the defense thereof and such counsel shall be at the expense of the Indemnifying Party); *provided*, that the Indemnifying Party shall not be liable for the fees and expenses of more than one separate firm of attorneys at any time for all Indemnified Parties; *provided further*, that each Purchaser shall be entitled to engage separate counsel at its sole expense. The Indemnifying Party shall not be liable for any settlement of any such Proceeding effected without its written consent, which consent shall not be unreasonably withheld, delayed or conditioned. No Indemnifying Party shall, without the prior written consent

of the Indemnified Party, effect any settlement of any pending Proceeding in respect of which any Indemnified Party is a party, unless such settlement includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such Proceeding.

Subject to the terms of this Agreement, all fees and expenses of the Indemnified Party (including reasonable fees and expenses to the extent incurred in connection with investigating or preparing to defend such Proceeding in a manner not inconsistent with this Section) shall be paid to the Indemnified Party, as incurred, within twenty Trading Days of written notice thereof to the Indemnifying Party; *provided*, that the Indemnified Party shall promptly reimburse the Indemnifying Party for that portion of such fees and expenses applicable to such actions for which such Indemnified Party is finally judicially determined to not be entitled to indemnification hereunder. The failure to deliver written notice to the Indemnifying Party within a reasonable time of the commencement of any such action shall not relieve such Indemnifying Party of any liability to the Indemnified Party under this Section 5, except to the extent that the Indemnifying Party is materially and adversely prejudiced in its ability to defend such action.

(d) Contribution. If a claim for indemnification under Section 5(a) or 5(b) is unavailable to an Indemnified Party or insufficient to hold an Indemnified Party harmless for any Losses, then each Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses, in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and Indemnified Party in connection with the actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission of a material fact, has been taken or made by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, statement or omission. The amount paid or payable by a party as a result of any Losses shall be deemed to include, subject to the limitations set forth in this Agreement, any reasonable attorneys' or other reasonable fees or expenses incurred by such party in connection with any Proceeding to the extent such party would have been indemnified for such fees or expenses if the indemnification provided for in this Section was available to such party in accordance with its terms.

The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 5(d) were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this Section 5(d), no Holder shall be required to contribute, in the aggregate, any amount in excess of the amount by which the net proceeds actually received by such Holder from the sale of the Registrable Securities subject to the Proceeding exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. For the purposes of this Section 5, each Person who controls any Holder (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) of Registrable Securities shall have the same rights to contribution as such Holder. No person guilty

of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

The indemnity and contribution agreements contained in this Section are in addition to any liability that the Indemnifying Parties may have to the Indemnified Parties and are not in diminution or limitation of the indemnification provisions under the Share Acquisition Agreements.

6. Miscellaneous.

(a) Remedies. In the event of a breach by the Company or by a Holder of any of their obligations under this Agreement, each Holder or the Company, as the case may be, in addition to being entitled to exercise all rights granted by law and under this Agreement, including recovery of damages, will be entitled to specific performance of its rights under this Agreement. The Company and each Holder agree in the event the Company fails to perform, observe or discharge any or all of its obligations under this Agreement other than those set forth in Section 2(c) hereof, any remedy at law may prove to be inadequate relief to the Holders. The Company and each Holder thereby agree that the Holders may be entitled to temporary and permanent injunctive relief in any such case, including specific performance, without the necessity of proving actual damages and without posting a bond or other security.

(b) No Piggyback on Registrations. Neither the Company nor any of its security holders (other than the Holders in such capacity pursuant hereto) may include securities of the Company in a Registration Statement other than the Registrable Securities and the Company shall not prior to the Effective Date enter into any agreement providing any such right to any of its security holders.

(c) No Required Sale. Nothing in this Agreement shall be deemed to create an independent obligation on the part of any Holder to sell any Registrable Securities pursuant to any effective Registration Statement.

(d) Compliance. Each Holder covenants and agrees that it will comply with the prospectus delivery requirements of the Securities Act as applicable to it (unless an exemption therefrom is available) in connection with sales of Registrable Securities pursuant to the Registration Statement and shall sell the Registrable Securities only in accordance with a method of distribution described in the Registration Statement

(e) Discontinued Disposition. By its acquisition of Registrable Securities, each Holder agrees that, upon receipt of a notice from the Company of the occurrence of any event of the kind described in Section 3(c)(iii)-(vi), such Holder will forthwith discontinue disposition of such Registrable Securities under a Registration Statement until it is advised in writing (the "Advice") by the Company that the use of the applicable Prospectus (as it may have been supplemented or amended) may be resumed. The Company may provide appropriate stop orders to enforce the provisions of this paragraph.

(f) No Inconsistent Agreements. Neither the Company nor any of its subsidiaries has entered, as of the date hereof, nor shall the Company or any of its subsidiaries,

on or after the date hereof, enter into any agreement with respect to its securities, that would have the effect of impairing the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof.

(g) Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, or waived unless the same shall be in writing and signed by the Company and Holders holding a majority of the then outstanding Registrable Securities (determined on an as converted basis in the case of the Conversion Shares); *provided*, that (i) any party may give a waiver as to itself and (ii) no amendment, modification, supplement or waiver shall apply to a Holder who beneficially owns 10% or more of the Company's outstanding voting securities (a "10% Owner") unless such amendment, modification, supplement or waiver is approved by such 10% Owner.

Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders and that does not directly or indirectly affect the rights of other Holders may be given by Holders of all of the Registrable Securities to which such waiver or consent relates; *provided, however*, that (i) the provisions of this sentence may not be amended, modified, or supplemented except in accordance with the provisions of the immediately preceding sentence and (ii) the right to receive Liquidated Damages pursuant to Section 2(c) shall not be modified or impaired without the consent of each Holder affected.

(h) Notices. Any notices, consents, waivers or other communications required or permitted to be given under the terms of this Agreement must be in writing and will be deemed to have been delivered: (i) upon receipt, when delivered personally; (ii) upon receipt, when sent by facsimile (provided confirmation of transmission is mechanically or electronically generated and kept on file by the sending party); or (iii) one Business Day after deposit with an overnight courier service, in each case properly addressed to the party to receive the same. (i) Successors and Assigns. This Agreement shall inure to the benefit of and be binding upon the successors and permitted assigns of each of the parties and shall inure to the benefit of each Holder. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective successors and assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement. The Company may not assign its rights or obligations hereunder without the prior written consent of (i) the Holders holding a majority of the then outstanding Registrable Securities (determined on an as converted basis in the case of Conversion Shares) and (ii) each 10% Owner. Each Holder may assign its respective rights hereunder in the manner and to the Persons who are permitted to be assignees under the Purchase Agreement.

(j) Execution and Counterparts. This Agreement may be executed in two or more counterparts, each of which when so executed shall be deemed to be an original and, all of which taken together shall constitute one and the same Agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature were the original thereof.

(k) Governing Law; Jurisdiction; Jury Trial. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would

cause the application of the laws of any jurisdictions other than the State of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. **EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY.**

(l) Cumulative Remedies. The remedies provided herein are cumulative and not exclusive of any other remedies provided by law.

(m) Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their good faith reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

(n) Headings. The headings in this Agreement are for convenience only and shall not limit or otherwise affect the meaning hereof.

(o) Independent Nature of Purchasers' Obligations and Rights. The obligations of each Purchaser under this Agreement are several and not joint with the obligations of any other Purchaser hereunder, and no Purchaser shall be responsible in any way for the performance of the obligations of any other Purchaser hereunder. The decision of each Purchaser to purchase the Shares pursuant to the Share Acquisition Agreements has been made independently of any other Purchaser. Nothing contained herein or in any other agreement or document delivered at any closing, and no action taken by any Purchaser pursuant hereto or thereto, shall be deemed to constitute the Purchasers as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Purchasers are in any way acting in concert with respect to such obligations or the transactions contemplated by this Agreement. Each Purchaser acknowledges that no other Purchaser has acted as agent for such Purchaser in connection with making its investment hereunder and that no Purchaser will be

acting as agent of such Purchaser in connection with monitoring its investment in the Shares or enforcing its rights under the Share Acquisition Agreements. Each Purchaser shall be entitled to protect and enforce its rights, including, without limitation, the rights arising out of this Agreement, and it shall not be necessary for any other Purchaser to be joined as an additional party in any Proceeding for such purpose. The Company acknowledges that each of the Purchasers has been provided with the same Registration Rights Agreement for the purpose of closing a transaction with multiple Purchasers and not because it was required or requested to do so by any Purchaser.

PLAN OF DISTRIBUTION

We are registering shares of Common Stock to permit the resale of such shares of Common Stock by the holders of the shares of Common Stock from time to time after the date of this prospectus. We will not receive any of the proceeds from the sale by the selling securityholders of the shares of Common Stock. We will bear all fees and expenses incident to our obligation to register the shares of Common Stock.

The selling securityholders may sell all or a portion of the shares of Common Stock beneficially owned by them and offered hereby from time to time directly or through one or more underwriters, broker-dealers or agents. If the shares of Common Stock are sold through underwriters or broker-dealers, the selling securityholders will be responsible for underwriting discounts or commissions or agent's commissions. The shares of Common Stock may be sold on any national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale, in the over-the-counter market or in transactions otherwise than on these exchanges or systems or in the over-the-counter market and in one or more transactions at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions. The selling securityholders may use any one or more of the following methods when selling shares:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales entered into after the effective date of the registration statement of which this prospectus is a part;
- broker-dealers may agree with the selling securityholders to sell a specified number of such shares at a stipulated price per share;
- through the writing or settlement of options or other hedging transactions, whether such options are listed on an options exchange or otherwise;
- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

The selling securityholders also may resell all or a portion of the shares of Common Stock in open market transactions in reliance upon Rule 144 under the Securities Act of 1933, as amended,

which we refer to herein as the Securities Act, as permitted by that rule, or Section 4(1) under the Securities Act, if available, rather than under this prospectus, provided that they meet the criteria and conform to the requirements of those provisions.

Broker-dealers engaged by the selling securityholders may arrange for other broker-dealers to participate in sales. If the selling securityholders effect such transactions by selling shares of Common Stock to or through underwriters, broker-dealers or agents, such underwriters, broker-dealers or agents may receive commissions in the form of discounts, concessions or commissions from the selling securityholders or commissions from purchasers of the shares of Common Stock for whom they may act as agent or to whom they may sell as principal. Such commissions will be in amounts to be negotiated, but, except as set forth in a supplement to this Prospectus, in the case of an agency transaction will not be in excess of a customary brokerage commission in compliance with FINRA Rule 2440; and in the case of a principal transaction a markup or markdown in compliance with FINRA IM-2440.

In connection with sales of the shares of Common Stock or otherwise, the selling securityholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the shares of Common Stock in the course of hedging in positions they assume. The selling securityholders may also sell shares of Common Stock short and if such short sale shall take place after the date that the registration statement of which this prospectus forms a part is declared effective by the Commission, the selling securityholders may deliver shares of Common Stock covered by this prospectus to close out short positions and to return borrowed shares in connection with such short sales. The selling securityholders may also loan or pledge shares of Common Stock to broker-dealers that in turn may sell such shares, to the extent permitted by applicable law. The selling securityholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). Notwithstanding the foregoing, the selling securityholders have been advised that they may not use shares registered on this registration statement to cover short sales of our common stock made prior to the date the registration statement, of which this prospectus forms a part, has been declared effective by the SEC.

The selling securityholders may, from time to time, pledge or grant a security interest in some or all of the shares of Common Stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of Common Stock from time to time pursuant to this prospectus or any amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act, amending, if necessary, the list of selling securityholders to include the pledgee, transferee or other successors in interest as selling securityholders under this prospectus. The selling securityholders also may transfer and donate the shares of Common Stock in other circumstances in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

The selling securityholders and any broker-dealer or agents participating in the distribution of the shares of Common Stock may be deemed to be “underwriters” within the meaning of Section 2(11) of the Securities Act in connection with such sales. In such event, any commissions paid, or

any discounts or concessions allowed to, any such broker-dealer or agent and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Selling securityholders who are "underwriters" within the meaning of Section 2(11) of the Securities Act will be subject to the applicable prospectus delivery requirements of the Securities Act and may be subject to certain statutory liabilities of, including but not limited to, Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Securities Exchange Act of 1934, as amended, which we refer to herein as the Exchange Act.

Each selling securityholder has informed the Company that it is not a registered broker-dealer and does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the Common Stock. Upon the Company being notified in writing by a selling securityholder that any material arrangement has been entered into with a broker-dealer for the sale of Common Stock through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, a supplement to this prospectus will be filed, if required, pursuant to Rule 424(b) under the Securities Act, disclosing (i) the name of each such selling securityholder and of the participating broker-dealer(s), (ii) the number of shares involved, (iii) the price at which such the shares of Common Stock were sold, (iv) the commissions paid or discounts or concessions allowed to such broker-dealer(s), where applicable, (v) that such broker-dealer(s) did not conduct any investigation to verify the information set out or incorporated by reference in this prospectus, and (vi) other facts material to the transaction. In no event shall any broker-dealer receive fees, commissions and markups, which, in the aggregate, would exceed eight percent (8%).

Under the securities laws of some states, the shares of Common Stock may be sold in such states only through registered or licensed brokers or dealers. In addition, in some states the shares of Common Stock may not be sold unless such shares have been registered or qualified for sale in such state or an exemption from registration or qualification is available and is complied with.

There can be no assurance that any selling securityholder will sell any or all of the shares of Common Stock registered pursuant to the shelf registration statement, of which this prospectus forms a part.

Each selling securityholder and any other person participating in such distribution will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including, without limitation, to the extent applicable, Regulation M of the Exchange Act, which may limit the timing of purchases and sales of any of the shares of Common Stock by the selling securityholder and any other participating person. To the extent applicable, Regulation M may also restrict the ability of any person engaged in the distribution of the shares of Common Stock to engage in market-making activities with respect to the shares of Common Stock. All of the foregoing may affect the marketability of the shares of Common Stock and the ability of any person or entity to engage in market-making activities with respect to the shares of Common Stock.

We will pay all expenses of the registration of the shares of Common Stock pursuant to the registration rights agreement, including, without limitation, Securities and Exchange Commission filing fees and expenses of compliance with state securities or "blue sky" laws; *provided, however*, that each selling securityholder will pay all underwriting discounts and selling commissions, if any.

We will indemnify the selling securityholders against certain liabilities, including some liabilities under the Securities Act, in accordance with the registration rights agreement, or the selling

securityholders will be entitled to contribution. We may be indemnified by the selling securityholders against civil liabilities, including liabilities under the Securities Act, that may arise from any written information furnished to us by the selling securityholders specifically for use in this prospectus, in accordance with the related registration rights agreements, or we may be entitled to contribution.
