Item 5. Other Events

The Company has adopted the Financial Accounting Standards Board's Statement of Financial Accounting Standards No. 142, "Goodwill and Other Intangible Assets", effective January 1, 2002. Under the new standard, goodwill is no longer being amortized. However, goodwill must be periodically tested for impairment.

The Company currently has goodwill of \$101.7 million on its consolidated balance sheet, consisting primarily of \$75.2 million remaining from the acquisition of Jevic Transportation, Inc. ("Jevic"). The Company has determined that 100 percent of the Jevic goodwill is impaired. As a result, the Company will record a non-cash charge of \$75.2 million in the first quarter of 2002, which will be reflected as a cumulative change in accounting principle.

Yellow Corporation is a holding company with wholly owned operating subsidiaries specializing in the national, regional and international markets providing for transportation of industrial, commercial and retail goods and transportation management services. Its largest subsidiary, Yellow Transportation is a national carrier offering a range of services for transportation and related movement of goods and materials. Meridian IQ is a non-asset based transportation solutions management company. SCS Transportation, Inc., a holding company, includes: Saia, providing overnight and second-day trucking service, Jevic Transportation, providing multi-regional less-than-truckload and truckload services. Headquartered in Overland Park, Kansas, Yellow employs approximately 28,000 employees.
